Education

Social and Behavioral Science and Education

Title: Early Childhood Education Intern

Employer: Sugar Plum Tree Preschool, Inc.

Pay: \$15-20

Days: M- F

Hours: 20 hours a week (preferred hours: 8am – 12pm or 3 to 5:30pm)

Length of Internship: 16 weeks – **preferred start date is 06/15/24**

Location: Park Ridge, IL

Internship site description:

“We are a day care center and have been open 48 years. Our students are 18 months to 5 years. We have a very stable and knowledgeable staff. Our school is located in the lower level of Redeemer Lutheran Church. There are four classrooms and a very large gymnasium we use daily Mon.-Fri. We have an outdoor playground. We follow the Illinois Early Learning Standards in our curriculum.”

Responsibilities: Assisting classroom teachers, reading a story, planning a craft, science project, math exercise, etc. As the student becomes comfortable in the classroom, the teachers would assign tasks to give the opportunity to plan and carry out a learning activity. Following through on a learning activity, assessing the results in order to improve.

Training provided: Observing the classroom teachers as they carry out their planned curriculum. Taking part in planning curriculum and other activities. Attending any workshops that become available for staff including teachers meetings. Time to discuss curriculum or issues with the classroom teachers or Director. The childcare center uses Brightwheel to communicate with parents, and staff would teach the student on to use that system.

Qualifications: Teamwork skills/Ability to work well in groups. At least one course in Early Childhood Education.

Title: Math Instructor/Tutor

Employer: Mathnasium/Schoolhouse4math)

Pay: \$15-16/hr

Hours: 10-20 hrs/wk (12-16 weeks; **preferred start 5/1/24**)

Location: Northfield

Lead, coach, and work collaboratively with team members to deliver individualized instruction in a group setting Assess students’ learning progress and engagement throughout instructional sessions Communicate student progress with parents and guardians Teach/tutor in-center, online, and/or via hybrid delivery using the Mathnasium Method™, terminology, and teaching practices Become proficient with digital educational materials and processes Support the maintenance of a safe and professional learning environment.

Assistant Teacher (Grace Preschool)**Pay:** \$15 to \$20/hr**Hours:** 12-15 hrs/wk (16 weeks; preferred start 8/26/24)**Location:** Des Plaines

Our teacher's assistants work with the classroom teacher to create the play-based curriculum so that each child can develop his/her whole being mental, social, emotional and physical to his/her full potential. As the assistant, you will be responsible for implementing the classroom daily activities as directed by the teacher. Besides having a passion for preschool children, you must be well organized, creative, an effective communicator, and able to work with the other staff members. The preschool is one of the church's ministries and as such, has Christian's aspects woven into its program.

Key Responsibilities / Duties: Work with the teacher and other staff members to understand the program goals and objectives as well as implementing the curriculum. Maintain a physical environment that is conducive for implementing the school's program and conforms to governmental and school's standards of safety and cleanliness. This includes the arrangement of the room, its décor and bulletin boards. Comply with all local, state and federal laws related to the school's operation. Effectively communicate with the students, their parents, and other staff members. This includes assisting with the publication and distribution of monthly newsletter, maintaining developmental portfolios for students, and attending staff meetings. Assist the teacher to develop progress reports for each child 2 times a year and participate in the face to face parent-teacher conference for the students. Work with the teacher and/or director to appropriately address parent, child, and fellow staff members concerns in a timely manner. Assimilate arriving children to the school environment by warmly welcoming them and selecting activities of interest to them. Prepare materials and ensure the class room is ready for the next class including setting up the curriculum areas and performing the necessary cleaning such as sweeping and vacuuming. Assist the teacher to ensure the preschool equipment and supplies are available and maintained. Successfully complete the necessary in-service training as required by the Director and state law such as CPR, first aid, Epi pen, food preparation and bloodborne pathogens. Continue professional development through reading, attending pertinent courses, workshops and conferences, and participating in professional organizations. Actively recruit potential students to fill the classroom to capacity. This may include attending local marketing events such as preschool related fairs and following up on any inquiries. Perform other duties as assigned by the teacher or director.

Qualifications: Hands-on experience in early childhood program – preschool preferred. Relevant education or combination of education and experience such as: High school diploma. Some early childhood college classes preferred. Pleasant/friendly demeanor and an outgoing personality. Highly professional and dependable. Well organized and creative with good written and oral communication skills. Must be able to interact appropriately with students of all ages and skill levels as well as with parents and fellow staff members. Member of Gateway to Opportunity (reporting of professional development hours). Successfully pass background check.

Marketing Specialist (Right at Home)

Pay: \$15.80/hour

Hours: 16-20/wk (10wks, between 9-5)

Location: Skokie

This internship offers students a chance to discover what it's like to design, develop, and execute a full-scale marketing plan for a leading health care agency. Our interns gain experience and participate in real operational tasks necessary to promote a successful business. While gaining insight into the home care industry, interns are immediately part of a collaborative, supportive, and team culture. The selected candidate will learn skills that build a lasting foundation that is needed to have a career in business marketing and lead generation. This is a chance to gain real world experience in a marketing role that has a direct impact on company growth and continued success. You'll learn how to target your message to specific audiences, build out a calendar of events and activities that promote the company while supporting our clients and caregivers, and develop skills and relationships that will help propel your career. The role and responsibilities include the following:

- Conducting market research to understand customer trends, habits, needs, and preferences.
- Developing marketing plans and strategies based on research, consumer behavior, and industry standards.
- Implementing marketing campaigns across various media channels such as digital, traditional, and social media
- Evaluating the effectiveness of marketing campaigns and providing recommendations for improvement
- Participating in the creation and delivery of sales presentations and brand messages to attract and retain customers.
- Other duties as assigned.

Title: ABA Therapist Internship

Employer: North Shore Pediatric Therapy

Pay: \$16-19/hr

Hours: 12+ hours/wk (during Monday – Friday, 3pm – 8pm Saturdays)

Location: Des Plaines

Gain invaluable hands-on experience working 1:1 with children on the autism spectrum. Learn and apply principles of behavior analysis and behavior therapy to make a real difference. Enjoy the unique opportunity to shadow our interdisciplinary therapy teams, including specialists in Applied Behavior Analysis (ABA), Neuropsychology, Occupational Therapy, Physical Therapy, and Speech-Language Pathology for at least 30 minutes a week. This offers a rounded view of pediatric therapy approaches and treatments. Our comprehensive 12-week program is aimed at providing a deep insight into autism therapy and can be extended, opening the door for continued learning and experience. Basic computer skills are required, but more importantly, we're looking for individuals eager to learn new technologies and therapy techniques to better assist the children in our care. This internship is not just about gaining practical experience; it's about making a tangible difference in the lives of children and their families.

ABA Therapist Paid Internship (Motivated Learners LLC)

Pay: \$23-25/hr

Hours: 6-20 hours/wk (16 weeks; 4-7pm weekdays, 9-12 weekends if desired)

Location: Des Plaines

This is an ABA therapy company seeking a compassionate and dedicated ABA therapist intern to join their team. An ABA therapist places a crucial role in implementing behavior intervention programs, collects data, and provides direct support to clients with autism. Your passion for helping individuals with special needs and your commitment to fostering positive change will be vital in their mission to make a difference in the lives of those they serve. Training will be provided on motivity and alohaABA software.
