Mission, Vision, and Values Statements

Mission

Oakton is the community's college. By providing access to quality education throughout a lifetime, we empower and transform our students in the diverse communities we serve.

Vision

Dedicated to teaching and learning, Oakton is a student-centered college known for academic rigor and high standards. Through exemplary teaching that relies on innovation and collaboration with our community partners, our students learn to think critically, solve problems, and to be ethical global citizens who shape the world. We are committed to diversity, cultural competence, and achieving the equity in student outcomes.

Values

A focus on Oakton students is at the core of each of these values.

- We exercise **responsibility** through accountability to each other, our community, and the environment.
- We embrace the **diversity** of the Oakton community and honor it as one of our college's primary strengths.
- We advance **equity** by acknowledging the effects of systemic social injustices and intentionally designing the Oakton experience to foster success for all students.
- We uphold **integrity** through a commitment to trust, transparency, and honesty by all members of the Oakton community.
- We cultivate **compassion** within a caring community that appreciates that personal fulfillment and well-being are central to our mission.
- We foster **collaboration** within the college and the larger community and recognize our interdependence and ability to achieve more together.

Ratified by the Board of Trustees on March 21, 2017 and reaffirmed on September 19, 2023.

Land Acknowledgment for Oakton

Oakton is the community's college. We recognize that our community embodies a network of historical connections and contemporary relationships with Native peoples, families, students, and alumni. We continue to live and work on the traditional homelands stolen from many different Native peoples, including but not limited to the Bodéwadomi (Potawatomi), Ojibwe (Chippewa), Odawaa (Ottawa), Kiikaapoi (Kickapoo), Mamaceqtaw (Menominee), Myaamiaki (Miami), Thakiwaki (Sac and Fox) and Hoocągra (Ho-Chunk) nations. Others have settled and cared for this land from time immemorial. The land of our Des Plaines campus nurtured a large Potawatomi settlement along the Des Plaines River. This was a site of trade, travel, and gathering for many Native people. With the lush forests and vibrant river, these communities flourished in this beautiful land of biodiversity and reciprocity. These lands are still home to many Native people of many nations.

Adopted by the Board of Trustees on December 13, 2022.

Anti-Racism Statement

Oakton is an anti-racist, inclusive, transparent institution; invested in and accountable to the communities we serve. We are committed to transforming all curricula, policies, structures and practices to dismantle and eliminate racism and other forms of oppression so all members of our community thrive. Through reflection, empowerment, and accountability to anti-racist people of color, we model the socially just and equitable transformation that we want to see in the world.

Adopted by the Board of Trustees on February 15, 2022.

Neurodiversity Statement

Oakton College is committed to recognizing the neurodiversity of our community and developing equitable policies and procedures to enhance the Oakton experience for all students, employees, and community members.

Adopted by the Board of Trustees on August 15, 2023.

Statement by the President

Condolences

- To Assistant Professor of Health Information Technology, Adriana Raicu on the passing of her father on April 3.

Congratulations

- Dear Aunaetitrakul (COMPASS Program Senior Manager) was chosen as the recipient of the ACPA C2YC's Promising Practice in Social Justice award. This award is given to a person or institution at a two-year college that develops and implements a program or practice that is inclusive of a historically underrepresented group, promotes equity on their campus, or encourages thoughtful contemplation of social justice. She was presented with this award at the ACPA Convention in Chicago on March 19.
- Student James Pauly was selected as a 2024 Coca-Cola Academic Team Bronze Scholar and will receive a \$1,000 scholarship. The election as a Coca-Cola Bronze Scholar was based on scores the student earned in the All-USA Academic Team competition, for which more than 2,200 applications were received this year.
- Megan Africk received the Award of Excellence at the Skyway Juried Art Competition on April 13. More than 200 submissions — including 25 from Oakton — were reviewed by the Skyway jury made up of esteemed artists who selected the best of the best. Megan won the award for her ceramic sculpture “Gray Wolf.”

- Recognition and thank you to Lydia Cruz for her contributions this year as the student trustee. Her passion and concern for her fellow students was something that we all benefited from. President Smith indicated that she thoroughly enjoyed traveling to Washington, DC with Ms. Cruz this year and seeing the impact she made on our federal legislators.
- Recognition and thank you to Trustee Yanow for her service as the Board Chair this year. President Smith said that Dr. Yanow's thoughtful and supportive leadership and the ways she affirms the efforts of faculty, staff and administrators has been greatly appreciated. President Smith also appreciates Dr. Yanow's willingness to show up at so many College events this year - representing the Board and her Board colleagues.
- President Smith congratulated the new SGA elected officials who were sworn into their new roles at last Thursday's Student Leadership Banquet:
 - President: Victoria Malewicz
 - Vice President: Margot Mattenson
 - Treasurer: Maria Sophia Maglalang
 - Student Trustee: Franklin Ocaña II
 - Senator(s): Gideon Apantaku; Sofia Carrasquillo
- Franklin Ocaña was named Student Employee of the Year at the April 8 awards ceremony.

Happenings

- There have been many events in the last month ranging from community events like the neurodiversity networking event, a spotlight event featuring our Environmental Science Program, Oakton College Day at Sherman United Methodist Church and last Friday's Creating Justice and a Night of Noise events to end of the year celebrations such as the student leadership banquet and student employee recognition luncheons.
- AAPI Heritage Month – There are still several upcoming events including a Talent Show on April 18 at 6 p.m.; a visit to the National Cambodian Heritage Museum on April 19; and an Asian Night Market on May 10. An AAPI Cultural Graduate and Transfer Student Celebration is also scheduled for April 26.
- As part of National Arab American Heritage Month, the Oakton Library is having a pop-up library on April 18 at 12:30 p.m. Stop by Student Street in Des Plaines and check out Arab American titles from the Library.
- The Muslim Student Association hosted a celebration for Eid today. The community joined for lunch and experienced a culinary journey with diverse cuisines, enjoyed the company of friends, and immersed themselves in the intricate beauty of henna art.
- April is Earth Month. This Thursday, Oakton, the Skokie Park District and the Village of Skokie will have a tree planting at the Skokie campus at 9 a.m. We will be planting a beautiful young oak tree, celebrating all that trees do for us and hearing about the exciting additional trees to come.
- Tickets are still available for the Six Piano Ensemble concert on Sunday, April 28 at 3 p.m.
- Commencement takes place on Monday, May 13 at the Rosemont Theatre.

Educational Foundation Liaison Report

The Foundation continues to fundraise beyond their goal with \$1.5M received to date. Notable commitments since the last update to the Trustees include:

- A \$20,000 gift from retiree Gail Cohen to continue to build the endowments of the scholarships in her and her husband's names, and,
- A \$1,000 gift from Oakton's chapter of the American Association for Women in Community Colleges to support their annual scholarship.

The Foundation hosted another Spotlight event last week, showcasing our Environmental Studies concentration and the conservation work that takes place on our campuses. Forty-one guests were in attendance – some of whom were long time Foundation friends and some who were visiting Oakton for the first time. These events are

produced to spotlight examples of the exceptional programming at Oakton while building relationships that inspire future philanthropic support.

The Foundation collaborated with the Oakton chapter of the State and University Annuity Association to host their quarterly meeting on campus today. More than 40 SUAA members attended, many of them Oakton retirees. This is more than double their typical meeting attendance. The meeting culminated in the dedication of a SUAA tribute paver in the recently renovated courtyard – funds of which support scholarships for Oakton students. Participants also had the opportunity to view the archives collection, which celebrates Oakton's rich history. Many of you may have seen this on your way into our meeting tonight in the display by the library. Oakton retirees remain important and valued members of the Oakton community and many continue to support the Foundation philanthropically.

The Board's next quarterly meeting will take place on June 5.

Student Trustee Report

Student Trustee Lydia Cruz welcomed the new Student Trustee, Franklin Ocaña II, and the new Student Government Association leadership.

Student Happenings:

- Events scheduled for AAPI Month are open to all. Ms. Cruz invited everyone to explore cultural achievements of the AAPI community which she feels proud to be a part of.
- Ms. Cruz thanked the faculty who have supported students through the scheduling and programming of events like Creating Justice.

Student Spotlight

Sophia Maglalang shared that she comes from a predominantly white school district, and that she was always identified as the one Asian person by her peers and professors. It was refreshing for her to see many diverse faces when she started her academic career at Oakton; she said she felt relieved when she learned about existing clubs related to ethnicity, and was impressed by Oakton's nurturing the celebration of diversity. One of her favorite experiences at Oakton is working with the COMPASS Leadership Institute which promotes culture, inclusion, and leadership skills for AAPI (Asian American Pacific Islander) students; Sophia enjoyed sharing experiences with her fellow AAPI students, and being able to have her own identity instead of just being "the one Asian person." The first Filipino Night Market was her first introduction to the AAPI community and the Oakton community. The celebrations of AAPI heritage and history made her feel that Oakton was a place where she could really belong, and be acknowledged as Sophia.

Johanna Famacion shared her experience during her teen years and her struggle with depression, which was exacerbated by the Covid-19 lockdown when she was about to graduate high school. Before she attended Oakton, Johanna went to DePaul University but decided to take a break and enroll at Oakton. At Oakton, Johanna has joined clubs and organizations which has allowed her to really embrace her AAPI identity and relate to others around her. She said that joining the COMPASS Leadership Institute took her out of her comfort zone, and challenged her in a positive way. She looks forward to participating in more College activities in the future because being active and proactive has helped her improve her grades and her mental health. She described the Oakton community as welcoming and supportive of students, for which she is truly grateful.

BOARD REORGANIZATION

4/24-2 Recommendation for Seating of Student Member of the Board of Trustees

Trustee Bush offered:

"SECTION 1: An election for the Student Member of the Board of Trustees was held March 25 - 29, 2024. The election was conducted in all respects as provided by law and according to Policy 1005. The election was conducted online, using the Simply Voting software purchased by the Student Government Association. Currently enrolled students were provided a ballot via email, and Simply Voting provided a secure method to permit students to vote from their computer or mobile device; 176 students cast ballots in the election.

The returns of the election have been duly canvassed by the Judges of Election. The student meets all qualifications for Trustees as specified in Policy 1004.

SECTION 2: The Board of Trustees declares that Franklin Ocaña II received 91 votes (61.5%) for the office of Student Member of the Board of Trustees. His opponent Akash Patel receiving 57 (38.5%) with 28 (15.9%) abstaining votes cast, thereby declaring Franklin Ocaña II the successful candidate to serve as the Student Trustee with a term commencing on April 16, 2024 and concluding at the Board of Trustees meeting in April 2025.

SECTION 3: This resolution shall be effective from and after its passage as provided by law.

Trustee Stafford seconded the motion. A voice vote was called and the resolution passed unanimously.

Compliance with Open Meetings Act, Closed Session Minutes

The Illinois Open Meetings Act requires that public bodies shall periodically, but no less than semiannually, review minutes of all closed meetings to determine if the contents of such minutes continue to require confidentiality, or if they may be made available for public inspection.

The President and the Secretary of the Board have reviewed, and hereby recommend that the minutes of the Board of Trustees closed session meetings held on October 2, 2023 and April 6, 2024 should be made available for public inspection and no longer require confidential treatment.

JLS:bs
5/2024

President's Recommendation:

That the Board adopts the following resolution (*if not adopted in the Consent Agenda*):

“Be it resolved that the Board of Trustees of Community College District 535 hereby determines that the minutes of the Board closed session meetings on October 2, 2023 and April 6, 2024 no longer require confidential treatment and are released for public inspection.”

Action on Recordings of Closed Session Minutes

The Illinois Open Meetings Act authorizes the destruction of verbatim records of closed meetings no less than 18 months after the completion of the meeting recorded. Written minutes of these meetings are retained in compliance with the Open Meetings Act.

In accordance with these provisions, the audio recordings of closed meetings held on October 19, 2021, February 15, 2022, March 15, 2022, April 26, 2022, May 24, 2022, and June 28, 2022 meet the following criteria:

1. At least 18 months have passed since the date of the meetings involved;
2. The Board of Trustees has approved written minutes of the closed meetings; and
3. There is no lawsuit pending regarding the legality of the closed sessions involved.

Authorization to Purchase Library Services (CARLI and NILRC) – One Year Renewal

In keeping with past practice, the College Library is renewing, canceling, and adding online databases and reference resources to support the institution's curriculum. All databases are accessible to Oakton students and employees from any computer through internet access using a proxy service maintained by the Library and Oakton's IT department. The Library has licenses for over 75 databases and 430 online reference resources. Most of these online resources are licensed through two statewide consortia groups: NILRC (the Network of Illinois Learning Resources in Community Colleges) and CARLI (the Consortium of Academic and Research Libraries in Illinois). These purchases are exempt from the bidding process according to Illinois Community College Act 110 ILCS.

The Administration seeks approval to renew the purchase of Library Services (CARLI and NILRC) for a total not to exceed \$100,000.00 each for FY25.

President's Recommendation:

That the Board adopts the following resolution:

"Be it resolved that the Board of Trustees of Community College District 535 authorizes the purchase renewal for one year for the following annual Library Services:

1. Library services from CARLI, 100 Trade Centre Drive, Suite 303, Champaign, IL 61820, for a total not to exceed \$100,000.00,
2. Library Services from NILRC, PO Box 120, Blanchardville, WI 53516, for a total not to exceed \$100,000.00,

for a grand total not to exceed \$200,000.00."

Authorization to Purchase Grant-Funded Take-Apart Pixy Mannequin for the Health Careers Education Center

The College is developing a new Health Careers Education Center in partnership with Endeavor Health (formerly Northshore University Health System). This new facility will be located at 2500 Ridge Road, Evanston, and will include classrooms and teaching labs to support new programs to train students for careers in cardiac sonography, radiography, and surgical technology. The new Health Careers Education Center is scheduled for completion in summer 2025. To support this partnership, the College will use the Pipeline for the Advancement of the Healthcare Workforce (PATH) grant to purchase equipment for the laboratory classes that provides a relevant environment for students to practice clinical skills.

The Take Apart Pixy mannequin by Radiology Support Devices, Inc. is used to demonstrate anatomy as well as evaluate positioning and imaging techniques for the radiography program. The radiographs of this mannequin are optically equivalent to the density and contrast in human patients. Students will learn clinical skills on this mannequin as it allows unlimited exposures and tolerates errors. In addition, it provides evaluation of the student's performance.

The Oakton Health Careers Division along with Academic Affairs, Chicago Design Network, and the Procurement department worked collaboratively to issue a bid for this mannequin. The bid was sent to seven (one in-district) companies of which two (one in-district) submitted a response. The low bid was submitted by Supertech, Inc. of Elkhart, IN for a total, including shipping and a two-year warranty of \$34,355. The second bid was submitted by Anatomical Worldwide, LLC for \$39,999. Supertech is a woman-owned company and has been in business for 54 years. Their references include College of Lake County, College of DuPage, and Illinois Central College. The Administration is confident they will be able to meet the College's needs.

President's Recommendation:

That the Board adopts the following resolution:

"Be it resolved that the Board of Trustees of Community College District 535 authorizes the purchase of a Grant-Funded Take Apart Pixy Mannequin for the Health Careers Education Center from Supertech, Inc., PO Box 186, Elkhart, IN 46515 for an amount not to exceed \$34,355.00 in accordance with their response to Invitation to Bid #0403-24-12."

Authorization to Purchase Document Management and Workflow Solution – Five-Year Contract

The College selected and implemented Hyland OnBase as its document management and workflow solution in 2012. Over the past twelve years, several processes have been converted into electronic format including financial aid, and State mandated COVID vaccine/testing confirmation.

Hyland OnBase is an on-prem solution which means that the Oakton IT team maintains the servers in its datacenter. Over the past few years, maintaining this on-prem solution has become increasingly complicated. Complex programming requirements have also delayed converting additional processes that are currently manual by nature into electronic format and automation using workflow solutions.

New and advanced solutions have been launched by vendors in the past several years. These Software as a Service (SaaS) based solutions reduce the complexity of managing the servers while simplifying programming that allows institutions to modernize their operations and improve efficiency. A task force was formed to review products and make appropriate recommendations. Members from Academic Affairs, Student Affairs, Administrative Affairs, Human Resources, and Information Technology were part of the task force.

Over the past three months, the task force evaluated three products from Softdocs, Ellucian, and Laserfiche. These three products were selected for demos since apart from Hyland, they are the only products certified by Ellucian Banner which is Oakton’s Enterprise Resource Planning solution. After the initial round of demos, the taskforce recommended inviting Softdocs and Ellucian for the final round. After multiple deep dive sessions with both Ellucian and Softdocs, reference calls, and a site visit to the College of DuPage who is currently using the Softdoc’s product, the taskforce is recommending Softdocs, Etrieve Full Platform Subscription and Enterprise Implementation as the preferred product for the Document Management and Workflow solution.

Below is the cost comparison between Softdocs and Ellucian.

Solution	Year 1	Year 2	Year 3	Year 4	Year 5
Softdocs	\$148,982.00	\$98,472.96	\$98,472.96	\$98,472.96	\$98,472.96
Ellucian	\$276,567.00	\$117,276.00	\$124,312.00		

Softdocs provides ease of use and better functionality that will allow end users to support the transformation effort quickly. It is a completely cloud-based solution which will minimize the infrastructure requirements and related maintenance over the next several years. Finally, it is economical in terms of pricing over its competitors.

Authorization to Purchase Video Surveillance System Replacement and Upgrades

The College uses a video surveillance system in public areas on both campuses to deter crime and assist in protecting the safety and assets (i.e. people, equipment, and property) of the College community. This system is managed by a joint team from the College Police department, the Facilities department and the Information Technology department. The current system has 290 cameras with a range of ages and technologies and a software and recording infrastructure that has reached end of life. Camera coverage is also incomplete with many areas lacking good imagery. In 2020, the College contracted with Haggerty Consulting to review the camera system and make recommendations for improvements. After pandemic delays, the project was added to the Capital Improvement Plan and funding was established at one million dollars for the two-year project which starts this fiscal year (FY2024).

This project has a number of components including:

1. Purchasing a new Video Management System (VMS) and digital recording system.
2. Purchasing 188 new and replacement cameras to upgrade coverage quality, replace obsolete equipment and fill in most coverage gaps for a total of 418 cameras in the final system.

The project also includes the network cabling needed for new camera locations as well as the additional Cisco network switches. For exterior locations not connected to the building, the project will involve trenching or directional boring to install power and network cabling. It also includes updating policies and procedures around camera access and retention, camera maintenance, monitoring, and replacement.

According to ILCS-805/3-27.1 item f, "purchases and contracts for the use, purchase, delivery, movement, or installation of data processing equipment, software, or services and telecommunications and interconnect equipment, software, and services: are exempt from the bidding process." However, in order to find the best solution, a team from the Campus Police, Facilities, and Information Technology met with vendors, resellers, and contractors over the past six months to review VMS products as well as develop detailed camera placement plans and system designs. It is anticipated that college staff will do most of the installation and configuration with specialized installations being outsourced to vendors.

After reviewing the available options, the Administration is recommending the purchase of the iPro IP cameras and iPro Video Insight VMS software. This purchase includes nine Video Insight Storage Servers and two Active Guard analytics servers with five-year warranties as well as 188 iPro interior and exterior cameras including ten models and all associated camera mounts. The iPro solution offered the best AI analytics support for advanced searching as well as no additional licensing costs for recording failover, or adding additional cameras in the future, as well as no annual licensing fees or software support costs. The College has used iPro cameras for many years and has been very satisfied with the reliability and features of the cameras. The lowest price was submitted by Howard Technologies of Ellisville, MS. The College has purchased iPro cameras from Howard Technologies in the past and the Administration is confident that they can continue to meet the College's needs.

The total upfront cost of this purchase is \$317,516. with no annual costs for the software maintenance and a five-year warranty for the hardware.

Price quote results are as follows:

Vendor	iPro Cameras	VMS	Total
Howard Technologies	\$174,189.00	\$143,327.00	\$317,516.00
Imperial Solutions	\$216,632.15	\$169,596.50	\$386,228.65

President's Recommendation:

That the Board adopts the following resolution:

“Be it resolved that the Board of Trustees of Community College District 535 authorizes the purchase of Video Surveillance System Replacement and Upgrades from Howard Technology Solutions Corp., 36 Howard Drive, Ellisville, MS 39437 for an amount not to exceed \$317,516.00 per their price quotes number SB81389175.00, dated April 11, 2024 and #SB8 1389763.00, dated April 12, 2024.”

Authorization to Purchase Replacement Computers for Digital Displays and Departmental Conference Rooms

A subset of the current computers is located in departmental conference rooms and digital displays throughout the Lee Center, Des Plaines main building, and the Skokie Campus. These computers are Intel NUCs (Next Unit of Computing) which are small, compact complete computer systems. The inventory of 36 of these computers is approximately eight years old. These computers will not be compatible with the newer Microsoft Windows 11 operating system and therefore, need to be replaced.

According to ILCS-805/3-27.1 item f, “purchases and contracts for the use, purchase, delivery, movement, or installation of data processing equipment, software, or services and telecommunications and inter-connect equipment, software, and services: are exempt from the bidding process.” However, in order to obtain the best pricing possible, the Information Technology department requested quotes from various vendors for 36 ASUS NUC 14 Pro Tall Mini computers.

Price quote results are as follows:

Jensen IT, Des Plaines, IL	\$27,990.00
B & H Photo and Video, New York, NY.	\$28,127.16
CDW-G, Vernon Hills, Ill.	\$28,440.72
SHI International, Somerset NJ	\$32,309.28

The College has an established business relationship with Jensen IT. The Administration is confident that they will continue to meet the needs of the College.

Authorization to Purchase Hannon Hill Cascade Content Management Solution – Three-Year Contract Renewal

Hannon Hill's software product, Cascade Content Management System (CMS), is used by the College to manage the content on the external website (www.oakton.edu).

Some of the features provided by Cascade CMS include content management, user management, security, search engine optimization (SEO), and API integration along with support for developers.

The current annual contract expires in June 2024. This year, the Administration negotiated a three-year contract which allows for a 3% annual increase in comparison to the 7% increase that Hannon Hill usually imposes on annual renewals. The cost of this three-year contract is \$99,177.02.

This purchase is exempt from bidding under the Illinois Public Community College Act. 110 ILCS 805/3-27.1.

Authorization to Purchase Cherwell Software License Subscription – One-Year Contract Renewal

In 2015, the Board authorized the purchase of Cherwell Software to support the evolution of the IT Help Desk operation from a basic call logging area to the central point of contact for management and information on all Information Technology Division incidents and services requests.

Cherwell is an Enterprise Service Management (ESM) software solution that has greatly improved IT service delivery and support. It provides a complete IT service desk solution that allows users to submit tickets through a secure self-service portal, and has reporting and analytics features that allow tracking of key metrics and identifies areas for improvement.

The renewal of annual support and maintenance is necessary to provide support for day-to-day helpdesk, media services, and IT operations, as well as to allow access to ongoing software updates and releases. In 2021, Cherwell was acquired by Ivanti, Inc. The Cherwell support contract from Ivanti for 38 subscription licenses, which is an increase from 30 licenses currently in use, along with cloud hosting will be \$74,284.02. This one-year contract will begin June 19, 2024.

Authorization to Purchase Lytho Marketing Workflow Solution – Three-Year Subscription Renewal

The Marketing and Communications team supports nearly 1,000 web, print, photo/video, and internal communication requests and projects every year that support our strategic plan pillars and align with Oakton’s brand refresh, strategic enrollment marketing plan, and inclusive storytelling through the College’s paid, owned, and earned media channels. The Marketing and Communications team has been using this tool since 2021.

This creative workflow tool has improved the collaborative workflow processes for the team and throughout the institution by improving departmental efficiencies and accuracy, providing visibility into project requests, driving productivity through virtual proofing and approvals, and streamlining marketing operations. This mission-critical marketing production tool is integrated with the College’s single sign-on method and allows access to the department’s project request forms.

The Administration recommends continuing with the purchase of the creative workflow system. Lytho’s (formerly In Motion Ignite) intuitive, cloud-based platform is specifically tailored for in-house marketing and communications teams, offering a comprehensive suite of features. These include project intake, management, proofing, feedback management, and insightful reporting and metrics. Lytho supports numerous industries, including higher education and community colleges, and provides continued support with a dedicated customer success manager and technical support team.

The cost for the creative workflow system is:

\$20,426.00 year one (13 licenses)
\$20,426.00 year two; no increase
\$20,426.00 year three; no increase

The total for the three-year contract is \$61,278.00 and the cost for adding additional licenses is \$1,500 per user. In anticipation of adding more users, the Administration is requesting additional funds for an amount not to exceed \$70,000.

This purchase is exempt from bidding under the Illinois Public Community College Act. 110 ILCS 805/3-27.1.

Authorization to Purchase Oracle Database Software Maintenance and Support – Three-Year Support Contract Renewal

The College uses Oracle Enterprise Edition Database server software to run a number of applications including the Student and Financial systems (Banner) and the degree audit and academic planning system (uAchieve®). These licenses are a mix of application-specific licenses that can only be used by Banner and unrestricted licenses that can be used by any application. The unrestricted licenses include a two-processor unlimited license for the production servers, a 25-named user license for test and development, two programmer licenses, a diagnostic pack, and a tuning pack.

The renewal of annual support and maintenance is necessary to provide support for day-to-day critical operations, as well as to allow access to ongoing software updates and releases.

This Administration is seeking approval to renew the three-year Oracle database software maintenance and support contract for unrestricted licenses. The cost of the three-year renewal is as follows:

Term	Total Cost
Year 1 (July 1, 2024 - June 30, 2025)	\$34,667.86
Year 2 (July 1, 2025 - June 30, 2026)	\$36,747.93

Authorization to Purchase Grant-Funded Skydio Starter Kit and One-Year Software Contract

The College is the recipient of a 2024 ICCB CTE Virtual Reality grant that provides core-course learning enhancement opportunities impacting Oakton's Drone Pilot Operator Certificate program and students enrolled in the Law Enforcement and Criminal Justice program courses.

ISEEYOU360 is the developer of the ISEEYOU360 MSU-1 First Person View (FPV) Tactical Mixed Reality Goggle System. The MSU-1 is a tactically deployable interoperable FPV goggle system for operators of small Unmanned Aerial Systems, Unmanned Ground Systems, and Ground Control Systems providing situational awareness threat detection with the following benefits.

- Immersive footage with customizable picture-in-picture.
- Reduces light strain on operator's eyes; allows crews to stay on task.
- Enhances the safety of operations involving persistent surveillance.
- Digital eyes - Live stream forward/rear visual, feed of drone, robotic device.
- Infrared night vision capable.
- Improves Intelligence, Surveillance, Reconnaissance, and Incident Awareness and Assessment.

This sole source Skydio X10 starter kit provided by "ISEEYOU360" encompasses a Skydio X10 Drone that is customized to be linked with the MSU-1 goggle system along with a mobile command system. This virtual reality drone system allows users to see firsthand images from the drone while in flight and allows users to react according to their mission instructions and flight objectives. The mobile command system allows the pilot to communicate with the drone and assures no loss of connectivity. The Skydio X10 Drone is an American made product that offers high quality photo/video and infrared thermo identification technology. The price for all of the equipment including the Skydio X10 Drone Starter Kit, MSU-1 Goggle System, Drone Software, Mobile Command Unit, and in-person technical support and training is \$50,000 which includes an educational discount of \$6,207.75.

Authorization to Purchase Grant-Funded Recon Virtual Reality Simulation Training System

The College is the recipient of a 2024 ICCB CTE Virtual Reality grant that provides core-course learning enhancement opportunities impacting Oakton students enrolled in the Law Enforcement and Criminal Justice program courses.

Ti Training manufactures software and hardware for the Training Lab, RECON, Firing Line, Training Room, and Immersive Reality Systems and is the only manufacturer of these products. Ti Training cameras, software, and firmware have been developed and configured by Ti Training to work specifically with the Training Lab and RECON simulation systems. The equipment purchase consists of the Ti Virtual Reality Simulation Training System with 180-CPU, 3 projectors, and all required cables. This package includes the refurbishment of Oakton's current Ti Training system and equipment to upgrade from a basic two-dimensional system to a virtual reality three-dimensional system. The cost of this sole source RECON virtual reality simulation training system is \$50,000.

Authorization to Purchase Transportation Services for Athletic Teams – One-Year Contract

The College’s transportation fleet includes one twelve passenger van and two eight passenger vans for use by College and student groups. The primary user group is the Athletic department. However, these vehicles do not accommodate the transportation needs of the larger athletic teams with rosters of between twelve to fifty student athletes and coaches. Contracting with a transportation service company provides safe, single unit appropriately-sized vehicles with professional drivers for each team, in lieu of using multiple College vehicles, driven by team coaches.

The College’s current transportation contract expires on June 30, 2024. The Athletic and Procurement offices worked collaboratively to issue a bid for a one-year contract with the option to renew for two additional years. The bid covers transportation needs for the Men’s and Women’s Soccer, Men’s and Women’s Basketball, Women’s Volleyball, Men’s Baseball, and Women’s Softball teams. Travel is primarily to Illinois Skyway Conference and NJCAA Region IV partner schools. To support student success, the bid specified that the contracted company would be required to provide wireless routers and electrical outlets at seats to allow student-athletes to work on their coursework while en route.

The bid was issued to twelve (two in-district) transportation companies. The College received five (one in-district) responses which were reviewed and analyzed by staff from the Athletic and Procurement office. Based on this review, the Administration is recommending that the College contract with Bestway Charter of Bensenville for \$74,900 for the period of July 1, 2024 to June 30, 2025 with the option to renew for two additional years. The College has been using Bestway as its transportation provider for the past three years and has been pleased with their services. The Administration is confident they will continue to serve the needs of the College.

The College developed a 2024-2025 travel schedule based upon the anticipated sports schedules so that companies could prepare their proposals; actual travel may vary depending on in-season schedule changes, unforeseen additional waiting times, and post-season travel activities. For this reason, the Administration is requesting approval for additional funds above the bid response of \$74,900 for the full budgeted amount not to exceed \$81,000.

The bid results were as follows:

Company	Grand Total
Bestway Charter	\$74,900
Ideal Charter	\$88,055
Chicago Classic Coach	\$127,415
Infinity Transportation	\$129,931
US Coachways	\$134,434

Authorization to Purchase Consulting Services for Finance Operations – Contract Extension

At the January 16, 2024 Board meeting the Board approved the extension of consulting services from Judy Mitchell Consulting, LLC to allow Dr. Mitchell to serve as the lead negotiator for OCCFA negotiations following the departure of Dr. Colette Hands and to provide transition support to the new Vice President for Administrative Affairs/CFO. It was anticipated that OCCFA negotiations would conclude before the end of the spring semester. Therefore, the contract extension was expected to end by May 31, 2024.

We anticipate the contract negotiations process to continue through the summer and conclude before the start of the new academic year. Therefore, the Administration is seeking approval to extend the contractual services from Judy Mitchell, LLC to allow Dr. Mitchell to continue to serve as the lead negotiator and to continue to provide transition support to the new Vice President for Administrative Affairs/CFO.

The Administration is requesting approval to extend its partnership with Judy Mitchell Consulting, LLC for an amount not to exceed \$55,000 for the period through August 31, 2024.

This purchase is exempt from bidding per the 110 Illinois Compiled Statutes 805/3-27.1, Contracts, part (a) contracts for the services of individuals possessing a high degree of professional skill where the ability or fitness of the individual plays an important part.

Authorization to Purchase Ceiling Microphone Arrays for Classrooms

Ceiling microphone array technology requires no setup, yet gives faculty precise control of audio capture in classrooms. Feedback from faculty using this product has been positive. This system provides enhanced directional pickup and more natural speech. It significantly improves audio for the remote student learning experience for classes taught using HyFlex methods.

According to ILCS-805/3-27.1 item f, “purchases and contracts for the use, purchase, delivery, movement, or installation of data processing equipment, software, or services and telecommunications and inter-connect equipment, software, and services: are exempt from the bidding process.” However, in order to obtain the best pricing possible, the Information Technology department requested quotes from vendors for ten Shure MXA920W-S Ceiling Array Microphones and ten Shure P300-IMX Dante Audio Processors.

Authorization to Purchase Talent Recruitment Services

The College has been searching for a Senior Manager of Finance Operations since the position was vacated in September, 2023. Despite engaging in two separate search processes since September, we have not successfully attracted a candidate that we are confident can meet the needs of the College and the Educational Foundation. In March, the Board authorized the College to work with Creative Financial Staffing (CFS), an employee-owned staffing firm in the Chicagoland area that specializes in sourcing talent with expertise in finance and accounting. To date, CFS has not been able to provide candidates that have yielded a successful hire. Therefore, the Administration is seeking authorization to engage CPS, Inc., another staffing firm in the Chicagoland area that specializes in sourcing talent with expertise in finance and accounting. Like CFS, CPS will only be compensated should they identify a qualified candidate that results in a successful hire for this position.

This purchase is exempt from bidding per the 110 Illinois Compiled Statutes 805/3-27.1, Contracts, part (a) contracts for the services of individuals possessing a high degree of professional skill where the ability or fitness of the individual plays an important part.

Preview and Initial Discussion of Upcoming Purchases

The following purchases will be presented for approval at an upcoming Board of Trustees meeting:

a) Illinois Community College Trustees Association (ICCTA) – One-Year Renewal – Oakton has been a longstanding member of the Illinois Community College Trustees Association (ICCTA). ICCTA provides community college advocacy and supports trustee development through continuing education seminars and trained retreat facilitators. Membership in the ICCTA is a valuable resource for the College, and the Administration recommends a membership renewal for FY25. The estimated annual membership renewal and dues are \$33,000. This figure includes membership to the Illinois Council of Community College Presidents (ICCCP). The Administration plans to present this item to the Board for purchase approval at the June 2024 Board meeting.

b) Grant-funded Nikon Eclipse Si Microscopes – Currently, the Medical Laboratory Technologist (MLT) lab uses four different models of microscopes. These microscopes are covered in excess oil, are unable to focus properly, require different parts and maintenance, and are between ten and twenty years old. These microscopes are also not compatible with the newest technology, including the ability to attach a camera and project images from a microscope to a screen.

With the purchase of new microscopes, the College will have all the same model microscopes in the MLT lab, which will allow the students a more consistent experience throughout their academic tenure at the College. The College will be purchasing ten Nikon Eclipse Si Microscope microscopes with the appropriate accessories for \$2,644.30 each. These scopes are ideal because they have a camera attachment which will allow instructors to demonstrate to all students what they are seeing in their microscopes. The camera can also capture images that can be used to give students study cases and be integrated into lectures. This microscope has an attachment to wrap the power cord, is light-weight, and has a handle to make it easier for the students to grab and put away.

Nikon is the sole-source provider of these microscopes. Through the E & I Purchasing Cooperative they have offered the College a 25% educational discount. The Administration plans to present this item to the Board for purchase approval at the June 2024 Board meeting.

c) TouchNet Information Systems Software Licenses – Five-Year Agreement – In March 2012, Oakton went live with TouchNet, a comprehensive electronic commerce management system. TouchNet's applications and tools connect Oakton's campus wide Banner ERP with the networks of payment processors and banks.

The TouchNet Bill+Payment module provides students, parents, and other authorized users self-service access to online bills and bill payments. It includes web-based bill presentation, secure online payments and deposits, electronic disbursement of student refunds, and tuition payment plan setup and enrollment. TouchNet Cashiering adds integrated, real-time support for both receivable and non-receivable payment transactions.

The TouchNet software also addresses issues of Payment Card Industry Data Security Standards (PCI-DSS). Late in 2012, the College added TouchNet Mobile Access, which provides a secure environment for students to make tuition payments on mobile devices. The College also purchased TouchNet Marketplace, which supports a variety of online commerce activities across campus, including event and conference registrations, as well as online donations. In 2020, the College implemented integration between TouchNet and Destiny Solutions for non-credit student registration and bill payment.

The most recent annual fee for TouchNet service was \$190,764, which appears substantial, but the TouchNet product allows Oakton to recover approximately \$150,000 annually from student payment plan fees, which were previously paid by students directly to the third-party payment plan manager. The payment plan fees help offset the cost of the software license. The total cost of a five-year term agreement will not exceed \$1,111,510. The Administration plans to present this item to the Board for purchase approval at the June 2024 Board meeting.

- d) PowerFAIDS Annual Software Maintenance Contract** – In the past, Oakton used The College Board’s PowerFAIDS software to support the financial aid process. PowerFAIDS managed federal and state aid requirements as well as specific Oakton institutional aid programs. The software also helped automate the entire financial aid cycle, from needs analysis and student eligibility, through Pell Grant management, award packaging, loan origination, and reporting. Since 2023, Oakton has transitioned to Ellucian Banner Financial Aid module for award management purposes. PowerFAIDS will be used to access historical data for State and Federal reporting purposes and migrating it into ZogoTech data warehouse.

The latest federal rules are programmed into the software so Oakton stays compliant with federal regulations. Interest in student financial assistance continues to increase. The College now owns fifteen PowerFAIDS licenses so that all Enrollment Center staff members are able to provide financial aid information to students. The maintenance fees for these licenses for FY25 is expected to be \$37,986. The Administration plans to present this item to the Board for purchase approval at the June 2024 Board meeting.

- e) Commercial Driving License (CDL) Training** – Oakton College is seeking Board approval to continue utilizing 160 Driving Academy for providing personnel and equipment, as well as recruitment, instruction, marketing, and job placement services for our commercial truck driver training program. Administered through the College’s Alliance for Lifelong Learning, the program is supported by the state Workforce Equity Initiative (WEI) grant, and the Workforce Innovation Opportunity Act (WIOA). These programs allow eligible students to receive a tuition voucher to enroll in Commercial Driver’s License (CDL) classes—a government requirement for anyone seeking to work in the transportation industry, particularly those operating vehicles with a gross combination weight rating (GVWR) of 26,001 or more pounds.

160 Driving Academy operates two branches within our district, including one at the Oakton College Des Plaines Campus and another in Niles, IL. Their educational approach features a unique learning system with dashboards and an online portal that tracks and provides students with real-time feedback. This enables proactive interventions by Oakton College to support student success. The Academy also maintains direct employer partnerships with leading companies such as Amazon and Coca Cola, providing training to their employees and leveraging these relationships to identify job opportunities for graduates through a specialized app post-completion.

After one year of successful collaboration with 160 Driving Academy, we have seen significant benefits in increasing visibility for Oakton College, reducing friction in the learning process, and enhancing student support. This partnership has also played a crucial role in addressing the critical nationwide shortage of qualified commercial truck drivers, a problem exacerbated by the pandemic and other industry challenges.

The College Administration recommends approving a two-year pricing agreement with 160 Driving Academy, noting that this purchase remains exempt from formal bid requirements per the Illinois Public Community College Purchasing Act section 805/3-27.1 (a), which permits contracts for services from individuals possessing a high degree of professional skill where the ability or fitness of the individual plays an important part. The Administration plans to present this item to the Board for purchase approval at the June 2024 Board meeting.

Authorization to Hire Dean of Access, Equity and Diversity

The administration is recommending the hire of Dr. Leana Cuellar for the Dean of Access, Equity and Diversity position. The search began on January 19, 2024. There were postings on the Oakton College website, *LinkedIn*, Historically Black Colleges and Universities (*hbcuconnect.com*), Hispanic Association of Colleges and Universities (*hacu.net*), Diverse Jobs (*diversejobs.net*), Inside Higher Education (*insidehighered.com*), Higher Education Jobs (*higheredjobs.com*), Illinois Unemployment (*illinoisjoblink.illinois.gov*), NACUBO – National Association of College & University Business Officers, and the Chronicle of Higher Education (*jobs.chronicle.com*).

There were sixty-three applicants for the Dean of Access, Equity and Diversity. The search committee conducted eight semi-finalist interviews and selected three candidates for on campus interviews with a number of employee groups, including the CHRO, President's Council, Council of Deans, the Student Affairs Leadership Team, the Access Equity Diversity Leadership Team, Dr. Karl Brooks, Vice President for Student Affairs, as well as an open forum session for college administrators, faculty, and staff.

Dr. Leana Cuellar is currently the Interim Dean of Access, Equity and Diversity, as well as the Director for Student Learning and Engagement at Oakton College. Dr. Cuellar provides leadership and oversight for the departments within Access, Equity and Diversity, and Student Success. She was also one of the founding members of the Diversity, Equity and Inclusion Leadership Council at Oakton. Dr. Cuellar received her Doctor of Philosophy from the University of the Cumberland.

Now, therefore, it is agreed by and between the Board and the Administrator as follows:

1. The Administrator is appointed Dean of Access, Equity and Diversity of the Board's College from July 1, 2024 to June 30, 2025. The Administrator will perform the duties and carry out the responsibilities of the position, as specified in Board policy and the job classification manual, as revised from time to time, and such other related duties as are assigned from time to time by or at the direction of the Board of Trustees and the President. In consideration for services rendered by the Administrator, the Board shall pay the Administrator a salary at an annual salary of \$127,000 in accordance with the Board's salary policies and procedures and the conditions therefore, currently in effect or as may hereafter be modified. This salary shall be for the period July 1, 2024 through June 30, 2025.
2. All policies of the Board of Trustees currently in effect and as modified or adopted hereafter are hereby incorporated into this agreement.
3. This contract and services rendered are subject to all applicable Constitutional provisions and the Illinois Revised Statutes, and any provisions contrary to these documents may be considered void without invalidating the remainder of the contract.
4. This contract guarantees the administrator the rights of procedural due process.
5. This agreement shall not be effective unless it is signed and returned to the President within ten days of its issuance.
