

PTA PROGRAM APPLICANT CHECKLIST

This form is for you to use to keep track of PTA Program prerequisites and to make sure you submit documentation required.

Refer to this form as you gather the necessary documents to prove prerequisites for the PTA Program. You will be interviewed for admission in this Limited Enrollment Program according to admission dates, deadlines and only after a Health Career Program Application has been submitted and all prerequisites have been proven to the Admission Office. Please contact the Admission Office if you have questions about prerequisites.

Use the following checklist as you submit documentation. Keep this form to refer to as needed. It would be helpful to write dates in the blanks.

_____ **Health Career Application for the PTA Program beginning fall 2009.** There is a nonrefundable \$25 application fee to Oakton Community College if this is your first application to Oakton.

_____ **Official transcript of high school record or official GED scores sent.**

_____ **Official transcripts of all colleges attended sent.** List colleges:

_____ **Results from the American College Test (ACT)/ or 12 hours of college on a transcript.**

_____ **Take the EGL (English) Writing Assessment Test (WSAT) and place into EGL 101 or prove English 101 taken in college by sending official transcript.** If you need to test, call 847-635-1939 for Testing Center schedule.

_____ **Take the reading assessment test (DRP).** (Call 847-635-1939 for Testing Center schedule).

_____ **Observations from a 10 hour visit to a Physical Therapy Facility.**

_____ **Recommendation from a Physical Therapist or Physical Therapist Assistant at the observation site.**

_____ **ECE (Educational Credential Evaluators) evaluation of Foreign Credit** – For those that need to prove prerequisites from another country or would like to transfer general education courses to Oakton for the PTA Program. A “Catalog Match” report must be requested on a special form, which can be obtained from the Admission Office at either campus.

_____ **Transcript showing high school or college level Biology and Physics taken within the last 5 years and with C grades or better.**
