Summer 2008 Enrollment Status

I have or will be registered for _____ credit hours on ____ / ____ / 2008.

A. General Information

- The 2007-2008 Free Application for Federal Student Aid (FAFSA) must be on file to be considered for summer 2008 Financial Assistance.
- Summer applicants must also maintain the academic requirements for financial aid recipients. Academic transcripts will be reviewed after spring 2008 grades are available. Academic progress will be reviewed before summer financial aid disbursement.
- For new Oakton students beginning Summer 2008, failure to submit this application by June 9 will result in loss of financial assistance for the summer 2008 semester.

B. Financial Assistance Available - Federal Pell Grant

- This grant is limited to undergraduate students who did not use their full time eligibility of their Federal Pell Grant in fall 2007 or spring 2008.
- Funding for the summer semester is extremely limited. If you received a Federal Pell Grant during the fall 2007 and spring 2008 semester as a full time student, then you have already received your maximum funding and no funds are available for the summer semester.

E. Informational Certifications

I cannot receive financial aid from Oakton Community College and another school at the same time. Oakton Community College has the responsibility to cancel all financial aid if irregularities exist.

I must maintain the academic requirements listed in the Standards of Academic Progress for Financial Aid Recipients policy. Minimum requirements include maintaining a 2.0 grade point average, completing 66 and 2/3 of cumulative Oakton college credits attempted, and completing degree within 150 percent of credits hours required. Non-compliance of this policy results in termination of financial assistance.

I must be enrolled in a curriculum leading to a degree or eligible certification program greater than 16 credit hours by mid-term. I must be enrolled and attending classes in order to receive financial assistance.

The Federal Pell Grant is the only financial assistance available to pay for developmental courses (courses under the 100-level.) A student may only receive Federal Pell Grant for developmental courses if he or she has attempted less than 30 developmental credit hours.

Financial assistance does not pay for Alliance for Lifelong Learning noncredit courses, audit courses, correspondence courses, or credit by examination.

If I withdraw or do not complete any or all courses attempted, I will be responsible to pay for the courses and any overpayment of financial assistance.

I agree to maintain my current and accurate address information with Oakton Community College's Registration and Records Office.

Federal and state financial aid rules are subject to change without notice if there are changes in the law(s) and/or financial constraints.
