Name of Applicant _____
Last First

I have completed high school/secondary school. yes no

I have completed some college studies. yes no

I have completed the following college degree(s): _____

Please provide all information requested regarding your past educational experiences on the next page.

If you attended a high school or college in the United States, include that on the form.

Official credentials and transcripts from all secondary and postsecondary (college and university) schools must be provided. These documents should include courses taken, grades received, diploma(s) awarded, and an explanation of the grading or the marking system. Credentials in a language other than English must be accompanied by a certified English translation.

The following information is not a requirement for admission:

If you wish to have your international college transcripts evaluated for transfer credit, you must send them to the Education Credential Evaluation (ECE) Service in Milwaukee, Wisconsin. You need to request the "Catalog Match" option, which costs \$200. The ECE form is available from Oakton's Office of Admission or at www.ece.org. You will also need to fill out a "Transcript Evaluation" form at Oakton's Office of Registration and Records in order to have the ECE evaluation of foreign credits applied to your major at Oakton. The Oakton transcript evaluation will take several weeks, a letter will be sent to your home address explaining which courses transfer to Oakton.

If you transfer to a new college or university in the future, you may have to have a new evaluation done by a different evaluation service, or the transfer college may do its own evaluation. Please consult with an academic counselor if you need further advising regarding this matter.
