

2010-11 Financial Assistance Information

Please complete this information and answer all questions. Remember to sign where required. **Students must have completed the information and submitted all required documents in order to be considered for any financial assistance. Students must also meet important deadlines in order to have financial aid processed. Dates subject to change.**

Priority Deadline: The date when our office can generally process documents in time for the student to know if financial assistance is available to defer tuition and fee payments.

First Tuition Payment Deadline: The first date that tuition payments are due for the semester.

End of Semester Deadline: The last date a financial aid administrator can complete processing prior to the end of a semester. Information submitted after a deadline will be reviewed but generally financial aid is no longer available for the semester.

D. Informational Certifications

I cannot receive financial aid from Oakton Community College and another school at the same time. Oakton Community College has the responsibility to cancel all financial aid if irregularities exist.

Oakton Community College has the responsibility to review tax information to determine if certain requirements have been met, such as tax filing status, duplicate exemptions, and minimum income level to file a return. If irregularities exist, Oakton may require an amended tax return be filed in order to process my financial assistance.

I must maintain the academic requirements listed in the Standards of Academic Progress for Financial Aid Recipients policy. Minimum requirements include maintaining a 2.0 grade point average, completing 66 and 2/3 of cumulative Oakton college credits attempted, and completing degree within 150 percent of credits hours required. Non-compliance of this policy results in termination of financial assistance.

I must be enrolled in a curriculum leading to an eligible degree or eligible certificate program of more than 16 credit hours by mid-term. I must be enrolled and attending classes in order to receive financial assistance.

A student may receive Federal Pell Grant, Federal Academic Competitiveness Grant, Illinois Monetary Award Program Grant or Illinois Incentive for Access Grant for developmental courses if he or she has attempted less than 30 developmental credit hours (courses under the 100-level).

I understand that I need to take more than 6 credit hours in a semester in order to be considered for more than 100 percent of my Pell eligibility.

Financial assistance does not pay for Alliance for Lifelong Learning noncredit courses, audit courses, correspondence courses, or credit by examination.

I understand that I need to register for any late-starting classes by the date posted by the Enrollment Center. Any registration after this date will not be paid with financial aid.

If I withdraw or do not complete any or all courses attempted, I will be responsible to pay for the courses and any overpayment of financial assistance. If I fail to pay my bill, I understand that my account will be sent to a collection agency.

I agree to maintain my current and accurate address information with Oakton Community College's Enrollment Center.

Federal and state financial aid rules are subject to change without notice if there are changes in the law(s) and/or financial constraints.
