

HOME IMPROVEMENT AND DECORATING

A FAST AND EASY TWIST ON WALLS, PART I FEE: \$30

You won't believe how easy it is to achieve fabulous walls—and you did it! Learn what you were never taught on the decorating videos. A professional faux painter shares her shortcuts and secrets and you learn, hands on. Just come dressed to paint for hands-on learning. And you thought it took a lot of work to beautify a wall! It just takes a twist of the wrist (and tricks of the trade your instructor will share). Required materials fee of \$27 + tax for "Twist On Walls Kit" will be collected in class by the instructor.

ART D21-01, OC/DP, 1 Thu., 11/20, 6-8:30 am, Coffman CRN 60599

CONSTRUCTION TROUBLE BUBBLES FEE: \$120

Thinking about building your own home, or making major renovations to your existing home? This course, led by a seasoned architect, will focus on five important items you need to know about the construction process, before you start. By understanding the full construction process, the details and players involved you'll feel better, sleep better and have confidence that you and your project are protected.

TEC E71-01, OC/DP, 1 Sat., 10/25, 10 am-4 pm, Brim CRN 60694

HOME OWNERSHIP 101 FEE: \$19

In this class you will learn the basics of systematic home inspection—what all responsible homeowners should be doing! Find out about needed tools and materials, safety tests, emergency items and procedures, regular maintenance, heating/cooling and hot water systems, roofs, and energy savings. Learn what repairs you can do yourself, and when to call in an expert. The instructor has more than 30 years of experience in home building, contracting and inspection. No senior discount.

TEC B50-01, ETHS, 1 Tue., 10/14, 7-9 pm, Biancalana CRN 60537

PLUMBING PREVENTIVE MAINTENANCE FEE: \$150

This practical course is designed to teach homeowners basic tips on repairing or replacing plumbing fixtures. This course will cover soldering of copper pipes and installation of faucets and toilets. It will offer practical knowledge on the workings of drains and how to replace water heaters, garbage disposals, and sump pumps. Students will take trips to nearby plumbing outlets. Note that this course is NOT designed for certification in professional plumbing.

TEC B68-01, ETHS, 8 Wed., 10/1, 6-9 pm CRN 60681

TEC B68-02, NILES W, 8 Tue., 10/7, 6:30-9:30 pm CRN 60682

UPHOLSTERY FEE: \$133

Don't throw out your favorite, well-loved chair — learn to re-upholster it. This is a hands-on course. Students will learn the fundamentals of upholstery including frame construction repair, restoration and others. Explore the types of materials used and learn to identify fabrics as well as techniques for cutting, measuring and fitting fabric and padding. Trade secrets will be shared to give your furniture a new look.

TEC B28-01, ETHS, 10 Tue., 9/23, 6:30-9 pm CRN 60678

New!

THE JEWEL BOX HOME: DECORATING AND ENTERTAINING BASICS FOR THE SMALLER HOME FEE: \$150

If your home is less than 2000 square feet; if you could use some decorating advice; or if you're planning a big party, this course is for you. Students will learn how to create their own "jewel box home" a living space that is beautiful and practical, filled with light and profoundly calming. Also, learn how to entertain in a smaller home and how to cope with the challenges of small home living.

ARC H01-01, ETHS, 5 Wed., 11/5, 7-8:30 pm, Ferraro CRN 60733

Technical Courses
