

WORLD LANGUAGES AND CULTURES

Textbooks are required for most language classes. Prices vary from \$20-\$65 and are not included in the tuition price.

CHINESE I **FEE: Listed with section**

With the world shrinking and with China growing every day as an economic and political power, learning Chinese has become increasingly important. In this introduction to the study of modern Mandarin Chinese, students will develop basic competence in speaking, listening, reading and writing. Emphasis will be on daily conversation. Chinese culture also will be explored.

For section -01: Textbook fee of \$27 is payable to the instructor at the first class session.
