

## FREE READING CLASSES\*

---

For American and intermediate ESL students who wish to improve their reading skills. Master teachers direct trained tutors to provide individual assistance. Classes focus on developing reading skills to meet personal goals. These are not ESL classes.

### Course Information:

- Courses are free to all students.
- The focus is on developing reading and writing skills for personal or employment needs.

### Counseling and Registration:

- Students can choose the best time and location for their schedule.
- Students are encouraged to discuss goals and needs with a counselor at registration.
