

FREE READING CLASSES*

For American and intermediate ESL students who wish to improve their reading skills. Master teachers direct trained tutors to provide individual assistance. Classes focus on developing reading skills to meet personal or employment goals.

- Courses are free to all students.
- Students can choose the best time and location for their schedule.
- Students are encouraged to discuss goals and needs with a counselor at registration.

For more information, call 847-635-1426.

**Classes funded by the Illinois Community College Board, the Office of the Secretary of State and the Illinois State Library.*
