STUDENT-INDUSTRY-TEACHER SIMULATIONS (SIT SIMS)

Student Registration Form

Dear Students:

You are cordially invited to participate in the SIT SIMs, a program funded by the National Science Foundation to give the students interested in Science, Technology, Engineering and Mathematics the chance to experience real-world simulations in this areas. The program will be held from 8:30 am-1:00 pm at Oakton Community College on Saturday March 11, 2006. By participating in the program, you will work on two projects with students and teachers from other high schools and learn real world applications. There are five projects and you can choose any two in which you would like to participate. Please fill out the registration form and return it to your teacher as soon as possible. Your social security number is used by our project only.
