LEADERSHIP SERIES 2009-2010

Motivation

Presented by **J.R. Martinez**

On April 5, 2003, *All My Children* cast member J.R. Martinez was driving a Humvee in Iraq when his left front tire struck a land mine. He suffered severe burns to more than 40 percent of his body and spent nearly three years undergoing 32 surgeries and skin grafts. While his experience certainly was life-changing, Martinez amazingly claims it was a change for the better. He's learned the importance of "inner beauty," and hopes to show others the true value in making the most of every situation.
