V. Academic Integrity:

Students and employees at Oakton Community College are required to demonstrate academic integrity and follow Oakton's Code of Academic Conduct. This code prohibits:

- o cheating,
- o plagiarism (turning in work not written by you, or lacking proper citation),
- o falsification and fabrication (lying or distorting the truth),
- o helping others to cheat,
- o unauthorized changes on official documents,
- o pretending to be someone else or having someone else pretend to be you,
- o making or accepting bribes, special favors, or threats, and
- o any other behavior that violates academic integrity.

There are serious consequences to violations of the academic integrity policy. Oakton's policies and procedures provide students a fair hearing if a complaint is made against you. If you are found to have violated the policy, the minimum penalty is failure on the assignment and, a disciplinary record will be established and kept on file in the office of the Vice President for Student Affairs for a period of 3 years.

Details of the Code of Academic Conduct can be found in the Student Handbook.

The practice quizzes in multiple choice and true or false format are available from the publisher's website: www.mhhe.com/yacht2011. You do not need a code to access the practice quizzes. The practice quizzes will not be graded but they could help you with your quiz grade in D2L. Please contact me if you have any problem or question about the practice quizzes.

B. Homework:

Homework will be due the week after it is assigned.

XI. Other Course Information

Class requires student to take responsibility for obtaining instructional materials, completing course work, participating in discussion threads, and taking the examinations. Student should contact the instructor via email or class website regarding any problems meeting course requirements.

If you have a documented learning, psychological, or physical disability you may be entitled to reasonable academic accommodations or services. To request accommodations or services, contact the ASSIST office in the Learning Center. All students are expected to fulfill essential course requirements. The College will not waive any essential skill or requirement of a course or degree program.

XII. Incomplete Grades & Late Assignments

Regular Attendance is required. The grade “incomplete” will be given only at the request of the student. A student must have completed at least 60% of the required course work before an incomplete request will be considered. It is the student's responsibility to initiate requests for an incomplete and to follow through with the procedures to remove the *Incomplete* grade.

All assignments and examinations must be turned in by the last week of class. If not, see Incomplete Grades above. Make up examinations will be given only by prior arrangement. Late or missed assignments will be penalized.

XIII. Other Information:

Do not wait until you are in trouble to get help. Take advantage of the various support services offered by the College, such as free tutoring, audio visual learning materials, the learning lab, etc.
