

Long Long Time

(Capo at 5)

C D7 Em D7 C D7 G Am
... Love will abide..... Take things in stride.
Am B7 Em A7 D7
Sounds like good advice, but there's no one at my side.
C D7 Em D7 C D7 G Am
And time... washes clean..... love's wounds unseen
Am B7 Em A7 D7
That's what somebody told me, but I don't know what it means
C D7 G B7 Em
And I've... done everything I know... to try and make you mine
G Am C D7 G
And I think I'm gonna love you... for a long, long time

(Instrumental riff)

C D7 Em D7 C D7 G Am
...Caught in my fears..... holding back the tears.
Am B7 Em A7 D7
I can't say you hurt me... when you never let me near.
C D7 Em D7 C D7 G Am
And I... never drew..... one response from you.
Am B7 Em A7 D7
All the while you fell... over guys you never knew.
C D7 G B7 Em
And I've... done everything I know... to try and make you mine.
G Am C D7 G
And I think it's gonna hurt me... for a long, long time.

(Instrumental riff)

C D7 Em D7 C D7 G Am
... Waited for the day..... you went away.
Am B7 Em A7 D7
Knowing that you warned... me... of the price I'd have to pay.
C D7 Em D7 C D7 G Am
And life's... full of loss..... Who knows the cost?
Am B7 Em A7 D7
Living in the memory... of the love that never was.
C D7 G B7 Em
And I've... done everything I know... to try and make you mine.
G Am C D7 G
And I think it's gonna hurt me... for a long, long time. *(repeat)*
