Rhinestone Cowboy
(As recorded by Glen Campbell)

C                               F  C                        F   C
I've been walkin' these streets so long... singin' the same old song.
C                  F     C                  G7
I know every crack in these dirty sidewalks of Broadway.
   F               Am
Where hustle's the name of the game,
   F                                      C
And nice guys get washed away like the snow and the rain.
G7                             F            C
There's been a load of compromisin'... on the road to my horizon.
F                      Am         D7         G7
But I'm gonna be where the lights are shinin' on me.
C      G7         C           F   C
Like a rhinestone cowboy...
C                      Am            Dm       G7
Riding out on a horse in a star-spangled rodeo.
C      G7         C
Like a rhinestone cowboy...
C                      Am            Dm       G7
Getting cards and letters from people I don't even know,
G7                             F            C
And offers comin' over the phone.
F                               F   C                        F   C
Well, I really don't mind the rain, and a smile can hide all the pain,
C                  F     C                  G7
But you're down when you're ridin' the train that's takin' the long way.
   F               Am
And I dream of the things I'll do,
   F                                      C
With a subway token and a dollar tucked inside my shoe.

G7                             F            C
There's been a load of compromisin'... on the road to my horizon.
   F               Am            D7       G7
But I'm gonna be where the lights are shinin' on me.
C      G7         C           F   C
Like a rhinestone cowboy...
C                      Am            Dm       G7
Riding out on a horse in a star-spangled rodeo.
C      G7         C
Like a rhinestone cowboy...
C                      Am            Dm       G7
Getting cards and letters from people I don't even know,
G7                             F            C
And offers comin' over the phone.
