

Get Together

(By Jesse Colin Young, as recorded by The Youngbloods)

G **F** **G**
Love is but the song we sing, and fear's the way we die.

G **F** **G**
You can make the mountains ring, or make the angels cry.

G **F**
Know the dove is on the wing, and you need not know why.

C **D7**
Come on, people now, smile on your brother.
G **Em** **Am** **D7** **G**

Everybody get together; try to love one another right now.

G **F** **G**
Some will come and some will go; we shall surely pass.

G **F** **G**
When the one that left us here... returns for us, at last.

G **F**
We are but a moment's sunlight, all fading in the grass.

C **D7**
Come on, people now, smile on your brother.
G **Em** **Am** **D7** **G**

Everybody get together; try to love one another right now.

(Instrumental break)

C **D7**
Come on, people now, smile on your brother.
G **Em** **Am** **D7** **G**

Everybody get together; try to love one another right now.

G **F** **G**
If you hear the song I sing, you will understand (listen!)

G **F** **G**
You hold the key to love and fear, all in your trembling hand.

G **F**
Just one key unlocks them both; it's there at your command.

C **D7**
Come on, people now, smile on your brother.
G **Em** **Am** **D7** **G**

Everybody get together; try to love one another right now.

C **D7**
Come on, people now, smile on your brother.
G **Em** **Am** **D7** **G**

Ev'rybody get together; try to love one another right now.

C **G** **C** **G** **C** **G** **F** **G**

Right now... right now... right now.
