**C**                      **Am**                      **G7**                      **D7**                      **G7**  
Let's go... batter up... we're taking the afternoon off...

**C**  
It's a beautiful day for a ballgame,

**D7**  
For a ballgame today.

**G7**  
The fans are out to get a kickin' or two,

**C**                      **Am**                      **D7**                      **G7**  
From Walla Walla, Washington to Kalamazoo.

**C**  
It's a beautiful day for a home run,

**D7**  
But even a triple's okay.

**F**                      **Fm**  
We're gonna cheer, and boo,

**C**    **D7**                      **G7**  
And raise a hullabaloo at the ballgame today.
