

Long Long Time

F G Am G F G C Dm

... Love will abide..... Take things in stride.

And time... washes clean..... love's wounds unseen

That's what somebody told me, but I don't know what it means

F G C E7 Am

And I've... done everything I know... to try and make you mine

C Am F G C

And I think I'm gonna love you... for a long, long time

(Instrumental riff)

F G Am G F G C Dm

...Caught in my fears..... holding back the tears.

Dm E7 Am D7 G

I can't say that you hurt me... when you never let me near.

F G Am G F G C Dm

And I... never drew..... one response from you.

Dm E7 Am D7 G

All the while you fell... over guys you never knew.

And I think it's gonna hurt me... for a long, long time.

And life's... full of loss..... Who knows the cost?

Living in the memory... of the love that never was.
