

Nobody Knows You When You're Down And Out

C **A**
Well, once I lived the life of a millionaire,
Dm **A** **Dm**
Spent all my money, didn't have a care.
C **E7** **A7**
Took my friends out for a mighty fine time.
D7 **G7**
Boot leg whiskey, champagne and wine.

C **A**
Then I began to fall so low.
Dm **A** **Dm** **A** **Dm**
Lost all my good friends, had no place to go.
C **E7** **A7**
If I get my hands on a dollar again,
Am **G7** **C**
I'm gonna hold it 'til the old eagle grins.

C **A**
'Cause, nobody knows you
Dm **A** **Dm**
When you're down and out.
C **E7** **A7**
In your pocket, not one penny.
D7 **G7**
And as for friends, you ain't got any.

C **A**
Soon as you get on your feet again,
Dm **A** **Dm** **A** **Dm**
They all want to be your long-lost friend.
C **E7** **A7**
I think it's strange, without any doubt.
Am **G7** **C**
Nobody knows you when you're down and out.
