

HOW IS U.S. FOREIGN POLICY AFFECTING YOUR LIFE?

A COMMUNITY FORUM
SUNDAY, SEPT. 26, 2004

1 - 4:30 p.m. (Check-in: 12:30 - 1 p.m.) TenHoeve Center, Des Plaines Campus

Join a panel of community leaders, plus Oakton faculty and students, as they discuss how U.S. foreign policy affects civil liberties, local communities and economies, and educational opportunities for young people. Breakout sessions follow, where YOU are invited to express your own views, and connect with other concerned neighbors. Program concludes with a “town hall” type meeting, designed to share strategies for expanding the dialogue, staying informed about the issues, and taking action.
