Tuition and Fees*

Enrollment Information - Enrollment in Alliance for Lifelong Learning classes is limited to adults 18 years of age or older except for GED and High School completion classes, which enroll younger students in accordance with each program’s specific age requirements.

Tuition - Tuition and fees are as low as operating costs and state law permits and are subject to change without notice. Tuition is the same for both in- and out-of-district residents, and does not include the cost of textbooks or materials. Personal checks are accepted. When providing a check as payment, you authorize the College to either use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. A $25 fee will be applied if your check is returned by the bank.

Processing Fee - Registrants will be charged an $8 non-refundable processing fee at the time of registration. However, students who register online at Oakton's Web site will only be charged once per semester for an unlimited number of classes. Those registering in person, by mail, or by fax will be charged an $8 fee with each registration form.

Cancellation Policy - If the Alliance cancels a class, registered students will receive a 100 percent tuition refund.

Refund Policy - If a student wishes to drop a class, a 100 percent tuition refund minus a $10 cancellation fee will be issued if the student notifies the Alliance office at least five business days prior to the first class session.

General Information

Enrollment Verification - The Alliance does not send confirmation of enrollment. To verify enrollment, go to www.oakton.edu/conted.

Textbooks - Textbooks and materials are required for many classes. Costs for these items are not included in the tuition listed. If your classes are at a high school, we recommend that you arrive at least 30 minutes prior to the first class to purchase textbooks at the Alliance site office. Textbooks may also be purchased during the day at the Alliance office in the school where the class is held. Alliance textbooks are not available at the Oakton Community College bookstores.

Certificates - Certificates of completion are awarded to students in any Alliance class upon request of the instructor or student. Completion of classes is determined by instructors, with a minimum of 75 percent attendance in most programs.

Grading - Grades of “P” or “F” are issued to indicate successful completion or non-completion of a course. These grades do not compute in a grade point average.

Alert! Oakton - Receive notification about weather-related and emergency closings at Oakton. Sign up today for e-mail, text message, or voicemail alerts at my.oakton.edu. Instructions are on the Home tab.

*All information, including fees, is subject to change any time during the period for which the schedule is in effect.

Students with Disabilities - The Access and Disability Resource Center provides accommodations and services to college able students with documented disabilities. For information, call 847-635-1759 (Room 2400 Des Plaines campus)

Smoking Policy - No smoking is allowed inside the Des Plaines and Skokie campus buildings. At each individual site and class location, Alliance for Lifelong Learning students are required to adhere to the specific building policies.
