You've Got To Be Carefully Taught  
(By Rodgers & Hammerstein - from the 1949 musical “South Pacific”)

G                      D7  
You've got to be taught, to hate and fear.  
G                      D7  
You've got to be taught, from year to year.  
G                      D7  
It's got to be drummed... in your dear little ear.  
C         Em     D7 G  
You've got to be carefully taught.

G                      D7  
You've got to be taught, to be afraid  
G                      D7  
Of people whose eyes... are oddly made,  
G                      D7  
And people whose skin... is a different shade.  
C         Em     D7 G  
You've got to be carefully taught.

Em                  Am7           C  
You've got to be taught, before it's too late;  
Em              Am7      C  
Before you are six, or seven or eight,  
G                        Am  
To hate all the people your relatives hate...  
G         G7        C  
You've got to be carefully taught...  
Em        C      D7 G  
You've got to be carefully taught.
