SPRING/SUMMER/FALL 2022

PROVISIONS OF BUSINESS EDUCATIONAL SERVICE CONTRACT

Under the provisions of the Business Educational Service Contract Program, Oakton Community College agrees to permit enrollment of the designated out-of-district employee at the in-district tuition rate, provided a Business Educational Service Contract is established with appropriate information/employment verified by the employer. Tuition payment is the responsibility of the employee/student unless otherwise agreed to by the employer. Only in-district companies are eligible to participate.

ELIGIBILITY REQUIREMENTS AND CONDITIONS

1. The Business Educational Service Contract and Employer Verification form must be submitted to the Enrollment Center each semester and no later than the date and time stated above. Students will be assessed a late fee if submitting this form after the deadline. Misrepresentation of information will result in assessment of out-of-district tuition for which the employee/student is responsible.

2. Failure to make payment arrangements by the published deadlines may result in the student being dropped from classes.

3. The company must be fully operational, the employee must be employed full-time (an average of 35 or more hours per week) and paid by the first day of the semester for which this tuition benefit is sought. A copy of your most recent pay stub must be included with this form (excludes Au Pairs). If the pay stub does not show hours worked, a written confirmation from the employer must be submitted.

4. The assessment of in-district tuition is subject to final verification of all information by the Enrollment Center.
