

2024  
**EMT TO PARAMEDIC BRIDGE SEMINAR**

*Seminar Description*

The EMT to Paramedic Bridge Seminar is a 16-hour continuing education seminar designed to bridge the gap between EMT and Paramedic Programs. Our goal is to prepare students for success when it comes to the high standards of a Paramedic Program. This informal seminar is aimed to motivate and excite students interested in the EMS field with lectures, hands on learning, and interactive discussions. The seminar fee is \$200. This seminar has an IDPH site code, and all participants will receive a certificate on the last day of class to use for continuing education hours should their EMS System accept it.

*Seminar content includes:*

- -BLS Review
- -Anatomy and Physiology/Body Systems
- -Cardiac
- -Common Diseases/Conditions and associated Pathophysiology
- -Pharmacology
- -Paramedic Program Entrance Exam Prep

*Seminar sessions (must choose only one - each session is the same):*
