Request for Proposal # 1
Issue Date: Monday, September 22, 2025

Proposals Due Date: 10:00 AM on Tuesday, October 21, 2025
Proposals will be publicly opened at this time. Late proposals will not be accepted.

Fabrication and Installation of Environmental Design Elements

Oakton College invites qualified firms to submit proposals for the fabrication and installation of environmental design elements across its Des Plaines and Skokie campuses. This initiative is part of a larger effort to enhance the campus experience through inspirational, mission-aligned, and branded design interventions in high-visibility areas.

The College is working with an environmental design consultant who has developed a comprehensive branded design concept in alignment with the college's brand guidelines and strategic plan. The selected vendor will be expected to collaborate with the consultant and college stakeholders to bring the designs and installations to life.

After thoroughly reviewing and evaluating the submitted responses, the College may select companies for interviews and presentations. The College will then determine which vendor best meets our needs and is in the best overall interests of the College.

All questions pertaining to this proposal should be submitted in writing to the e-mail address listed below by **11:00 AM on Thursday, October 2, 2025**. Questions will be addressed through an addendum.

Trinh Than, Purchasing Manager at tthan@oakton.edu

Instructions to Vendors

1. Forms: Proposals should be submitted on the form provided. Envelopes marked "Sealed Proposal for (commodity being bid)." Proposals cannot be accepted via fax machines or e-mail.
2. Specifications: Generally, where specifications indicate a particular brand or manufacturer's catalog number, it shall be understood to mean that or equal, unless "no substitutes" is specified. When offering alternates, they must be identified by brand name, catalog number and manufacturer's literature must be included.
3. Samples: Vendors will be required to furnish no charge samples upon request.
4. F.O.B. Point: All prices must be quoted F.O.B. destination. Shipments shall become property of Oakton College after delivery and acceptance.
5. Delivery Points: Deliveries must be made to the various buildings within the district, as indicated.
6. Delivery Schedule: Proposals must specify delivery time. Unrealistically long delivery times may cause proposal to be rejected. Order may be canceled without obligation if delivery requirements are not met.
7. Evaluations: Oakton College reserves the right to reject any and all proposals, to waive any technicalities in the proposal, and to award each item to different vendors or all items to a single vendor.
8. Vendor Selection: The College will award the purchase to the selected vendor based on what is in the College's best interest using a criteria grounded on pricing, warranty, service, specified components. In the case of tie proposals, the first preference will be given to suppliers located within the boundaries of District #535, and second, from within the state over out of state.
9. Prices: Prices, terms and conditions must be firm for acceptance for sixty (60) days from the date of proposal opening unless otherwise agreed to by District #535 and vendor.
10. Quantities: Quantities shown may be estimates only and orders may be more or less depending on actual requirements and budget limitations.
11. Exceptions: Any exceptions to these terms, conditions or deviations from written specifications must be shown in writing and attached to the proposal form.
12. Tax Exemptions: Oakton College District #535 is exempt from Federal, State and Municipal taxes. Exemption certificates will be furnished upon request.
13. Equal Employment Opportunity Clause/
Prevailing Wage: Oakton College is an equal opportunity employer, and parties doing business with the College must comply with the Equal Employment Opportunity Clause as required by the Illinois Fair Employment Practices Commission. Not less than the prevailing wage shall be paid for labor on the work to be performed as required by law.
14. Non-Collusion Clause: The vendor or agent hereby declares that he, nor any other agent of his business, entered into any collusion or agreement relative to the price to be submitted. He further declares that no persons, firms or corporations, have or will receive directly, any rebate, fee, gift, commission, etc., or that any employee or Board of Trustee member of Oakton College District #535 has any undisclosed interest in the award of this contract.

General Proposal Information

1. Oakton College invites qualified firms to submit proposals for the fabrication and installation of environmental design elements across its Des Plaines and Skokie campuses. This initiative is part of a larger effort to enhance the campus experience through inspirational, mission-aligned, and branded design interventions in high-visibility areas.
2. No pre-proposal meeting for this RFP; however, vendors are welcome to visit the campuses to view the space during regular business hours.
3. The project will be implemented in **two (2) phases over two (2) years**, with each phase focusing on a distinct grouping of design elements and campus zones, at two locations. The two phases are:

Phase 1: Fabrication and installation will take place January 2026-June 2026

Phase 2: Fabrication and installation will take place from July 2026 to July 2027.

Final phasing will be confirmed in collaboration with the selected vendor, the college, and the college's design consultant.

4. Please see *Appendix A: Summary of Design Elements and Proposed Locations* for the project details.
5. The RFP will not be awarded based on price alone. The College will award this proposal to the selected vendor(s) based on what is in the College's best interests using a selection criterion based on vendor qualifications and certifications, services provided, reputation, reviews, functionality, total cost of ownership, and suitability and fit for our environment. After a detailed and thorough review of the proposals, the Administration will select the vendor that is in the best overall interest of the College.
6. The College will only accept and consider proposals with all phases as requested. Partially completed proposal will not be considered.
7. The College reserves the right to waive technicalities and informalities in the proposal process, to reject any or all proposals, or any part of any proposal, for any reason. The College also reserves the right to obtain clarification of any point in a firm's proposal or to obtain additional information. The determination of whether any proposal by a firm does or does not conform to the conditions and specifications of the Request for Proposal (RFP) is the responsibility of the College. This RFP does not obligate the college to award a contract or pay any costs incurred in proposal preparation or submission.
8. After a thorough review and evaluation of the responses submitted, the College may select companies for an interview and presentation. Dates scheduled for meeting select vendors: Weeks of November 3rd, 2025.

9. This contract is subject to the provisions of the Equal Employment Opportunity Clause as provided by the Illinois Fair Employment Practices Commission, and the Illinois Revised Statutes. In addition, contractors must comply with the Illinois Drug Free Workplace Act and the Illinois Human Right Acts.
10. This proposal is scheduled to be awarded at the December 16, 2025, Board of Trustees meeting.
11. Proposal results will be posted on the Oakton website the day following the Board of Trustees meeting. To access the results, go to [Oakton/Procurement Department](#).
12. The College reserves the right to cancel a contract with a 30-day written notice for unsatisfactory performance.
13. Pricing must be valid for 90 days from the proposal opening.
14. The Purchasing Department will verify all price calculations. In the event of an error, the unit price will prevail and the total will be adjusted accordingly. The new adjusted total will be used when awarding an item. All pricing listed on the vendor's response to this Request for Proposal is final.
15. Because this is a "sealed proposal" we cannot accept proposals over the phone, email or fax machine. Please send your proposal response to the College by identifying the proposal number on the outside of the envelope as well as your company's name. The proposal needs to be sent to:

Introduction: Fabrication and Installation of Environmental Design Elements

Oakton College invites qualified firms to submit proposals for the fabrication and installation of environmental design elements across its Des Plaines and Skokie campuses. This initiative is part of a larger effort to enhance the campus experience through inspirational, mission-aligned, and branded design interventions in high-visibility areas.

The College is working with an environmental design consultant who has developed a comprehensive branded design concept in alignment with the college's brand guidelines and strategic plan. The selected vendor will be expected to collaborate with the consultant and college stakeholders to bring the designs and installations to life.

Scope of Work

The successful vendor will be responsible for:

- Conducting site visits and field measurements in coordination with the college and its design consultant.
- Adhering to the college's brand guidelines.
- Reviewing finalized design files and confirming specifications with the consultant.
- Providing material samples for review and approval.
- Fabricating all approved environmental design elements.
- Coordinating with the college on installation logistics.
- Installing all elements with attention to quality, safety, and minimal disruption to campus operations.

Design elements may include (but are not limited to):

- Feature walls
- Large-scale adhesive mural wall coverings
- A word wall installation
- Acrylic wraps of campus maps
- Branded window film/s

A full list of elements and proposed locations is provided in Appendix A to this RFP.

Project Timeline and Phasing

The project will be implemented in **two (2) phases over two (2) years**, with each phase focusing on a distinct grouping of design elements and campus zones at two locations. The two phases are:

- **Phase 1: Fabrication and installation will take place January 2026 to June 2026**
- **Phase 2: Fabrication and installation will take place from July 2026 to July 2027**

Final phasing will be confirmed in collaboration with the selected vendor, the college, and the college's design consultant.

Vendor Qualifications

Proposals should demonstrate:

- Proven experience with fabrication and installation of environmental graphics and branded design installations.
- Capacity to manage projects of similar scale across multiple sites.
- Strong references from comparable projects in higher education, corporate, or institutional settings.

- A commitment to meeting deadlines and coordinating effectively with design and facilities teams.
- Prioritize sustainability, durability, ADA compliance, and inclusivity (including neurodiverse community needs).

Proposal Requirements

Firms must submit a proposal that includes:

- **Company Overview:** History, size, and relevant experience.
- **Project Team:** Roles, qualifications, and bios of key personnel.
- **Portfolio:** Examples of three comparable projects, including photos, budgets, and client references.
- **Project Approach:** Description of the approach to collaboration, field measurements, fabrication, and installation.
- **Timeline:** Proposed project timeline, including milestones from award to completion.
- **Cost Proposal:** Detailed breakdown of costs including materials, fabrication, labor, travel, and installation.
- **Insurance and Licensure:** Proof of liability insurance, worker's compensation, and applicable business licenses.

Selection Criteria

Proposals will be evaluated based on:

- Relevant experience and qualifications (30%)
- Quality of past work and references (25%)
- Project approach and timeline (20%)
- Cost competitiveness (20%)
- Completeness and clarity of proposal (5%)

Appendix A – Summary of Design Elements, Locations, and Scope

This appendix provides a high-level overview of anticipated environmental branding installations for Oakton College's Des Plaines and Skokie campuses. The information below is intended to guide proposal development and is subject to refinement through site verification and collaboration with Oakton's design consultant.

1. Project Goals

- Implement a cohesive environmental branding system aligned with Oakton's approved design concept and brand guidelines.
 - Prioritize sustainability, durability, ADA compliance, and inclusivity (including neurodiverse community needs).
 - Maximize visual impact in high-visibility locations while maintaining cost-effectiveness.
 - Ensure all installations are scalable for future expansion.
-

2. Budget Range

- **Estimated total project range:** \$144,000 – \$170,000 (for both phases combined; subject to final scope and material selection).
 - Vendors should provide itemized pricing by element, location, and phase.
 - Alternate material options that meet design intent and budget goals will be considered.
-

3. Phased Implementation Overview and Fabrication Direction

Phase 1 (January 2026 – June 2026)

Focus on high-impact, visible installations to launch the brand environment:

- **Feature Walls –Both Campuses–** Dimensional acrylic letters, painted edges.
 - Total of 2
 - Estimated Size: 9'- 6" x 30'- 7"

 - 330 square foot @ 1/2" thick laser cut acrylic 8" letters
 - 200 square foot @ 1 1/4" thick laser cut acrylic 14" letters
 - 145 square foot @ 2" thick laser cut acrylic 24" letters

- **Des Plaines Campus Welcome Center**

The Welcome Center is part of a larger construction project scheduled for completion in June 2026. Final design details for this space are still in development, but we anticipate the following general scope for environmental branding:

- **Glass Graphics** – For the bookstore area (dimensions to be provided).
- **Feature Signage** – A three-dimensional or flat sign element behind the welcome desk. The final approach will depend on the desk design and overall layout.
- **Adhesive Graphics** – Location and application to be determined, but some use of adhesive graphics is expected.
- Vendors should plan for flexibility, as specific dimensions and placements will be finalized as the construction project progresses.

Des Plaines Welcome Center (to be designed in 2025)

Preferred materials:

Adhesive mural wallcoverings (3M or equivalent); acrylic letters; removable-face acrylic map panels; sustainable and durable finishes.

Phase 2 (July 2026 – July 2027)

Deepen brand integration across campus gateways and student-facing spaces:

Entrance Mural Wall – Des Plaines Enrollment Entrance.

- Estimate wall size: 16'- 0" x 14'- 0"

Des Plaines Enrollment Entrance (plus possible SK EM Entrance)

Skokie – Welcome Wall / Mulford Entrance

- *Fabrication Direction:*
 - Adhesive vinyl decal letters with matte overlamine (flat)
 - Adhesive mural wallcovering with luster overlamine (flat)
 - ½" acrylic white dimensional letters; 12" height; edge paint
 - color TBD; pin mounted

Preferred materials:

Adhesive mural wallcoverings (3M or equivalent); acrylic letters; removable-face acrylic map panels; sustainable and durable finishes.

4. Vendor Input & Flexibility

While preferred materials and fabrication approaches are noted, Oakton welcomes alternate solutions that:

- Maintain the approved design intent and quality.
- Meet or exceed durability and sustainability standards.
- Offer cost savings without sacrificing visual impact or longevity.
