Oakton Community College, a leader in adult and continuing education in Illinois, collaborates with Maine, Niles, Northfield, and Evanston Township high school districts to form an educational partnership called the Alliance for Lifelong Learning (ALL). In a typical year, more than 36,000 people register for adult education courses at Oakton. ALL coordinates the resources of each high school district to make additional instructional services available for every adult resident age 18 and over.

The following pages contain a diverse collection of interesting, challenging, and entertaining noncredit courses and events scheduled on weekdays, evenings, and weekends at Oakton’s campuses in Des Plaines and Skokie and many neighborhood based locations, including the following high schools:

- Evanston Township High School
- Glenbrook South High School
- Maine East High School
- Maine West High School
- Niles North High School
- Niles West High School

Here you also will find other Oakton Community College programs developed in cooperation with community centers, libraries, and shopping malls to better serve the needs and interests of district residents. Refer to the map on page 52 to pinpoint specific class sites. Everyone is welcome to attend any class at any location.

Continuing Education Courses offer a vast selection of special interest topics and hands-on experiences in business, career and certification training, computer courses, exercise and fitness, healthy living topics, home and garden, languages, online classes, and tech trends. For more information call 847.982.9888.

General Educational Development (GED) prepares students who have not completed high school for the High School Equivalency Exam. The GED certificate is accepted by most employers and schools. For more information call 847.635.1426.

Evening High School assists residents of Niles and Maine Townships in completing their high school education. For more information, call Tim Pappageorge at 847.825.4484 or Adult Education at 847.635.1426. Glenbrook residents must contact Frank Santa, Principal of Glenbrook Evening High School, 847.486.4465.

Volunteers in Teaching Adults (VITA) supplements the work of classroom teachers in English as a Second Language (ESL) and literacy classes, including the Learn to Read program. Oakton needs more volunteers to help adults improve English speaking and reading skills. Volunteers will learn about appropriate teaching methods and materials. For additional information call 847.635.1426.

English as a Second Language (ESL) courses expand the listening, speaking, reading, and writing skills of non-native speakers of English. These courses also acclimate students to American culture. For more information call 847.635.1426.

Literacy Programs include Learn to Read to Learn and Bridges to Academic Reading and Writing. Learn to Read to Learn classes identify, recruit, and instruct English-speaking adults and ESL adults seeking to reach specific life goals. Bridges to Academic Reading and Writing classes help intermediate ESL students prepare for the TOEFL or college classes. For more information call 847.635.1426.

Continuing Education for Health Professionals (CEHP) provides continuing education for social workers, certified counselors, marriage and family therapists, registered nurses, addiction counselors, nursing home administrators, speech/language, psychologists, pathologists, audiologists, and dieticians. For more information call 847.635.1438.

Emeritus Program courses, “for the student who wasn’t born yesterday,” enable lifelong learners to take advantage of individual and series courses in the arts, humanities, science, international politics, and religion. These courses meet throughout the year on weekdays, giving seasoned students the opportunity to share valuable learning experiences with their peers. For more information call 847.982.9888 or visit www.oakton.edu/conted.

Workforce Solutions (formerly The Business Institute) provides customized training and consulting for local businesses, and services for educational opportunities. For more information call 847.635.1447.

Put Your Passion to Work!

Tuition and Fees*

**Enrollment Information** - Enrollment in Alliance for Lifelong Learning classes is limited to adults 18 years of age or older except for Youth, GED and High School completion classes, which enroll younger students in accordance with each program’s specific age requirements.

**Tuition** - Tuition and fees are as low as operating costs and state law permits and are subject to change without notice. Tuition is the same for both in- and out-of-district residents, and does not include the cost of textbooks or materials. Personal checks are accepted. When providing a check as payment, you authorize Oakton to either use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. A $25 fee will be applied if your check is returned by the bank.

**Processing Fee** - Registrants will be charged a $9 non-refundable processing fee at the time of registration. However, students who register online at Oakton’s website will only be charged once per semester for an unlimited number of classes. Those registering in person, by mail, or by fax will be charged a $9 fee with each registration form.

**Cancellation Policy** - If the Alliance cancels a class, registered students will receive a 100 percent tuition refund.

**Refund Policy** - If a student wishes to drop a class, a 100 percent tuition refund minus a $15 cancellation fee will be issued if the student notifies the Alliance office at least five business days prior to the first class session. No refunds will be issued for requests received less than five business days before the start of class unless authorized at the discretion of the Alliance administrators.

**Residency (In-District Senior Citizens)** - Residents of Oakton’s district who are 60 years or older are eligible to receive a senior discount on tuition (unless otherwise indicated). In-district seniors (60+) who register for an Alliance class on or after July 7, 2014 are eligible for a 15 percent tuition discount. In-district seniors who registered before that date will continue to receive a 50 percent discount where applicable. Proof of age and in-district residency must be provided in-person prior to registration. Acceptable documentation includes: a valid Illinois driver’s license or Illinois state ID, and two current bank statements or utility bills. Residency is required 30 days immediately prior to the beginning of the term. Additional proof may be requested at the discretion of the college.

Residents of Oakton’s district who are 65 or older whose annual household income is less than the threshold amount provided in Section 4 of the “Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistant Act” may enroll without payment of tuition in regularly scheduled “A” coded (i.e. TEC A19-01) courses provided that available classroom space exists and tuition paying students enrolled constitute the minimum number required for the course. Proof of age and a signed declaration of annual income are required at the time of registration. Completion of a waiver request form is necessary with each registration.

General Information

**Enrollment Verification** - The Alliance does not send confirmation of enrollment. To verify enrollment, go to www.oakton.edu/conted and select How to Register.

**Textbooks** - Textbooks and materials are required for many classes. Costs for these items are not included in the tuition listed. If your classes are at a high school, we recommend that you arrive at least 30 minutes prior to the first class to purchase textbooks at the Alliance site office. Alliance textbooks are not available at the Oakton Community College bookstores.

Note: Personal checks and credit cards are not accepted.

**Certificates** - Certificates of completion are awarded to students in any Alliance class upon request of the instructor or student. Completion of classes is determined by instructors, with a minimum of 75 percent attendance in most programs.

**Grading** - Grades of “P” or “F” are issued to indicate successful completion or non-completion of a course. These grades do not compute in a grade point average.

**Alert!Oakton** - Receive notification about weather-related and emergency closings at Oakton. Sign up today for email, text message, or voicemail alerts at my.oakton.edu.

*All information, including fees, is subject to change any time during the period for which the schedule is in effect.

**Students with Disabilities** - The Access and Disability Resource Center provides accommodations and services to college able students with documented disabilities. For information, call 847.635.1759 (Room 2400 Des Plaines campus)

**Smoking Policy** - No smoking is allowed inside the Des Plaines and Skokie campus buildings. At each individual site and class location, Alliance for Lifelong Learning students are required to adhere to the specific building policies.

STEM YOUTH PROGRAMS

Students ages 8 to 12 can give their science, technology, engineering, and math skills a workout with a range of engaging, fun-filled camps and classes throughout the year.

FALL 2017 NEW COURSES

Lights, Camera, Action, Improv
Fee: $39
Learn how to think on your feet using basic improv techniques. Put these skills to use in a variety of fun-filled activities that apply what you learn. But, you'll need to think fast when someone in the class goes off script. Can you follow their lead, improvise, and make it funny?

KID E03-01, OC/SK, 1 Fri., 9/22, 8 am-12 pm CRN 61007
KID E03-02, OC/DP, 1 Tue., 11/21, 8 am-12 pm CRN 61009

Stock Market Bonanza
Fee: $39
What do Sony PlayStation, WWE Wrestling, and McDonald's all have in common? They are all traded on the New York Stock Exchange. In this course, you will learn what it takes to invest in stocks, mutual funds, bonds, and more. Then test your knowledge, by investing imaginary money and watch the results go up or down over the remainder of the course. Will you come out on top?

KID E04-01, OC/SK, 1 Fri., 9/22, 1-5 pm CRN 61008
KID E04-02, OC/DP, 1 Tue., 11/21, 1-5 pm CRN 61010

Creative Structural Engineering
Fee: $39
Test your engineering skills in this hands-on class that challenges you to build structures using household items. Before each task, learn the concepts of how an engineer would approach the problem, then use this knowledge to take on the challenge.

KID E01-01, OC/SK, 1 Fri., 10/20, 8 am-12 pm CRN 61004
KID E01-02, OC/DP, 1 Thu., 11/9, 8 am-12 pm CRN 61003

Order in the Court
Fee: $39
How does our legal system work? What is it like to be a juror, witness, prosecutor, or judge? Begin the day by learning the United States legal system, then take on different roles as you reenact different real-world cases. Do you have what it takes to win the case?

KID E02-01, OC/SK, 1 Fri., 10/20, 1-5 pm CRN 61006
KID E02-02, OC/DP, 1 Thu., 11/9, 1-5 pm CRN 61005

YOU'RE ON THE AIR: (HOW TO REALLY MAKE IT IN VOICE-OVERS) Fee: $50
Voice-overs are hot today. With such notable talent as James Earl Jones, Linda Hunt, and Donald Sutherland lending their voices to commercials, films, and videos, one would think that it would be next to impossible to break into this field. Not so! Learn about an exciting new way to get around the competition and actually turn voice-overs into a thriving full or part-time business. Faith Coons, successful voice-over artist, demonstrates voice-over technique and introduces the voice-over industry. Explore the numerous opportunities, the income potential, and the all-important demo and how to have it produced. You'll step up to the microphone to do some practice recording and, best of all, hear the results. No senior discount.

An experienced grant writer teaches you how to research and write winning grant proposals that get funded. Discover a number of finishing touches that can give your project the edge over others. Learn the best type of paper to use, which buzzwords to include, which fonts work best, which types of graphics to include, and a variety of formatting techniques that will make your proposal more competitive. Also, learn about the importance of obtaining community and political support before submitting a proposal to any government agency.

A TO Z GRANT WRITING Fee: $129
Enter the exciting field of grant writing! Learn how to raise needed funds by discovering how and where to look for potential funders who are a good match for your organization. Also learn how to network and develop true partnerships with a variety of funders, how to organize a successful grant writing campaign, and how to put together a complete proposal package. This course speaks mainly to nonprofit organizations, schools, religious institutions, and municipalities seeking grants from foundation, corporate, government, and individual donors. It’s also an excellent primer for individuals wishing to become grant writing consultants or community grant writing volunteers.

PUBLISH AND SELL YOUR E-BOOKS Fee: $129
Did you know that e-books now outsell print books, and self-published authors regularly make The New York Times best-seller lists? Don’t wait for a traditional publisher to discover your talent. Learn how to use free tools to publish and sell e-books through the world’s largest online bookstores.

WRITING ESSENTIALS Fee: $129
Master the essentials of writing in order to excel at business communications, express yourself clearly online, and take your creative literary talents to a new level. Hands-on activities help you put your powerful new skills to use right away.

INTRODUCTION TO INTERNET WRITING MARKETS Fee: $129
While some traditional markets for writers have vanished, others have appeared on the horizon—many on the Internet. Explore how to sell e-zine articles; write for webzines and blogs; sell manuscripts to an e-publisher; and self-publish your own e-book or a traditional book using print-on-demand publishing.

MAKING MONEY FROM YOUR WRITING Fee: $129
You really can make money as a writer. Explore dozens of ways to establish a sometime, part-time, or full-time career in the field. Filled with practical information rarely taught in writing classes, course includes methods for working faster, receiving fewer rejections, and boosting your earnings.

BEGINNING WRITER’S WORKSHOP Fee: $129
Do you dream of writing creatively? Get a taste of the writing life, improve your skills, and discover new ways to stretch your creative muscles. This isn’t school as you know it. It’s an in-depth writing experience filled with challenging hands-on exercises, expert advice, and plenty of direct support and encouragement.

WRITE AND PUBLISH YOUR NON-FICTION BOOK Fee: $129
Did you know that nonfiction book titles are 10 times more likely to get published than fiction titles? Become a professional author or advance your career by learning to write, edit, and publish nonfiction books of all types.

WRITETERIFIC: CREATIVITY TRAINING FOR WRITERS Fee: $129
Overcome the fear of the blank page and transform your visions into the written word. Gain tips and tricks from the toolbox of a published writer. Whether you’re hoping to write a novel, nonfiction book, memoir, short story or article, this course will liberate your imagination.

TRAVEL WRITING Fee: $129
Profit from travel to exotic lands—or even experiences in your own backyard—by writing and selling travel articles and books.

TECHNICAL WRITING Fee: $129
Explore the well-paying field of technical writing. Learn to translate complex information into easily understood language and study technical writing conventions, interviewing skills, desktop publishing, graphics, templates, and more. Also, gain tips on how to enter this growing industry. Requirements: Any version of Microsoft Word.
THE CRAFT OF MAGAZINE WRITING  Fee: $129
Magazine writing is fun, easy, and a great source of income whether you are retired, planning for the future, or a work-at-home parent. Jump start your dream of becoming a freelance writer with a magazine writing career.

INTRODUCTION TO SCREENWRITING  Fee: $129
Learn everything you need to know to write a great script that can sell. Examine what makes a screen story work, and how to structure that story into a script, create characters, and make your dialogue sing. Explore the rapidly expanding market for scripts and see how you can grab your place in it.

THE KEYS TO EFFECTIVE EDITING  Fee: $129
Ask any published writer, and you’ll hear that a good editor isn’t just helpful, but essential. Designed for all levels of writers and editors, explore the fundamentals of editing and recent professional advances that may be applied to both fiction and nonfiction writing.

WRITING FOR CHILDREN  Fee: $129
Learn how to touch the hearts of children by creating books for this special audience. A published children’s author guides you through the changing world of children’s literature, helping you better understand the needs of today’s market and how to get published.

EFFECTIVE BUSINESS WRITING  Fee: $129
Whether you are a clerical worker, engineer, or executive, even a small improvement in your writing skills can also improve your career prospects. Identify and eliminate problem areas in your writing. Learn to develop powerful written documents, including e-mail, that immediately draw readers in and motivate them to take action.

RESEARCH METHODS FOR WRITERS  Fee: $129
Learn the most efficient and effective methods of conducting research for any writing project—from fiction to dissertation. Covers personal interviews, public reports, polls, and surveys; as well as historical, undercover, and guerilla research.

Breast Imaging Today: Positioning Review, Tips and Other Imaging Modalities
Sunday, October 1
Positioning patients to obtain optimal “text-book” images is always a challenge in mammography. Reviewing steps for routine mammogram positions and extra views helps refresh the memory of basic steps that can be overlooked. Receive tips to help yield images that follow the 8 ACR image criteria categories and learn to work with the new thicker image receptors. A focus on other imaging modalities currently used to work alongside mammography for breast imaging are also discussed, including DBT, MBI, US, thermography, and MRI. Trans-illumination, breast CT, and fiber optic digital imaging open a new dimension of detailing breast pathology and physiology.

Somatic Disorders in Children and Adolescents: Treating the Child Not the Symptoms*

Wednesday, November 1  
Terese Castellano, LCSW

With somatic symptom disorders, individuals experience physical symptoms not fully explained by the presence of a medical condition. These disorders can interfere with school, home life, and relationships with peers. Children with somatic symptoms typically present to general medical settings rather than to mental health settings which often leads to repeated hospitalizations, consultations from different specialists, unnecessary testing and procedures, and ineffective treatments. Through lecture and discussion, learn to use screening tools and evidence-based approaches to engage, assess, and treat the child/teen and their family.
