

Lost your job?

Reboot Your Career!

Take advantage of *Tuition-Free Job Training* at Oakton.

Tuition for up to 12 credit hours is waived for eligible* participants. Earn a certificate in one of these designated programs (most can be completed in one semester):

- A+ Computer Diagnostic Specialist
- Computer Numerical Control (CNC) Operation and Programming Preparation
- Green Marketing Preparation
- Microsoft Project Management Preparation
- Pharmaceutical Preparation

*Offered ONLY to residents of Oakton Community College District 535 who have become **unemployed from a full-time job** since January 1, 2008. Participants must provide a copy of their current *Wage Information Sheet*.

Some fees may apply.

Register Now! Classes begin the week of February 16, 2009.

For pre-screening and additional instruction contact Career Services at 847.635.1735 or careerservices@oakton.edu.
