Don't Give Up On Us (Capo 2 - key of A)  
(As recorded by David Soul)

Intro: Am D7 Bm Em Am7  
G                Am          D7
Don’t give up on us, baby... don’t make the wrong... seem right...
Bm                    Em
The future isn’t just one night.
C                  G       C    G
It’s written in the moonlight... painted on the stars.
Am          D7
We can't change ours...
G                Am          D7
Don’t give up on us, baby... we’re still worth one... more try...
Bm                    Em
I know we put a last one by.
C                  G       C    B7
Just for a rainy evening... when maybe stars are few...
C                 D7       G
Don’t give up on us, I know... we can still come through...

Bridge
Gm                 C    G
I really lost my head last night...
Gm          D7       G
You've got the right to stop believing
Em                  D7   Cm   D7
There’s still a little love left, even so...
G                Am          D7
Don’t give up on us, baby... Lord knows we’ve come... this far...
Bm                    Em
Can’t we stay the way we are?
C                  G       C    B7
The angel and the dreamer... who sometimes plays the fool...
C                 D7       G
Don’t give up on us, I know... we can still come through...

(Instrumental of first two lines of verse)

C                    G       C    G
It’s written in the moonlight... painted on the stars.
Am
We can't change ours...
E7                    A       Bm       E7
Don't... give... up on us, baby... we’re still worth one... more try...
F#m
I know we put a last one by...
D                  A       D    F#
Just for a rainy evening... when maybe stars are few...
D                E7       A
Don’t give up on us, I know... we can still come through...
A              F#m       A    F#m     A
Don't give up on us, baby... Don't give up on us, baby...
