I Got A Name
By Jim Croce (Capo 2 - key of E)

D                   G                  F#m
Like the pine trees lining the winding road
G     A         D
I got a name... I got a name

Bm
Like the singing bird and the croaking toad
E             A7
I got a name, I got a name

F#m                G               D
And I carry it with me like my daddy did
F#                   Bm    E               A7
    But I'm living the dream... that he kept hid

F#m                G               D
Moving me down the highway... rolling me down the highway
G         A7        C-G-A7    C-G-A7
Moving ahead so life won't pass me by

D                   G                  F#m
    Like the north wind whistling down the sky
G     A         D
I've got a song...I've got a song

Bm
Like the whippoorwill and the baby's cry
E             A7
I've got a song, I've got a song

F#m                G               D
And I carry it with me and I sing it loud
F#                   Bm    E               A7
    If it gets me nowhere... I go there proud... (REPEAT REFRAIN)

(Instrumental)

D
And I'm gonna go there free...

D                   G                  F#m
    Like the fool I am and I'll always be
G     A         D
I've got a dream... I've got a dream

Bm
They can change their minds but they can't change me
E             A7
I've got a dream, I've got a dream

F#m                G               D
    I know I can share it if you want me to
F#                   Bm    E               A7
    If you're going my way, I'll go with you (REFRAIN 2X and end)
