It Never Rains In Southern California
(As recorded by Albert Hammond) - Capo 2 (key of A)

G       Am                D7              G       Em
Got on board a westbound seven... forty-seven...

Am      D7              G
Didn't think before, deciding... what to do...

Am      D7
All that talk of opportunities...

G                            Am   D7           G
TV breaks and movies... rang true... sure rang true.

Am              D7           G      Em
Seems it never rains in southern California

Am              D7           G      Em
Seems I've often heard that kind of talk before

Am              D7
It never rains in California

G               Em
But girl, don't they warn ya...

Am              D7              G      Em
It pours... man, it pours.

Am              D7
Out of work, I'm out of my head

G               Em
Out of self respect, I'm out of bread

Am              D7              G      Em
I'm underloved, I'm underfed, I wanna go home...

Am              D7
It never rains in California,

G               Em
But girl don't they warn ya...

Am              D7              G
It pours... man, it pours. [Instrumental Interlude]

Am              D7              G      Em
Will you tell the folks back home... I nearly made it

Am              D7              G      Em
Had offers, but don't know which one to take...

Am              D7
Please... don't tell 'em how you found me...

G               Em
Don't tell 'em how you found me

Am              D7              G
Gimme a break... give me a break...(repeat 1st verse, and end)
