INSTRUMENTAL INTRO:
D7                           G ///
“This land was made for you and me.”

CHORUS:
G                          C                       G
This land is your land, this land is my land.
D7                           G                   G7
From California to the New York Island,
C                          G
From the redwood forest to the gulf stream wa-a-ter,
D7                           G ///
This land was made for you and me.

G                          C                       G
As I went walking that ribbon of highway
D7                           G                   G7
I saw above me that endless skyway,
C                          G
I saw below me that golden va-al-ley
D7                           G ///
This land was made for you and me.  (REPEAT CHORUS)

G                          C                       G
I roamed and rambled, and followed my footsteps
D7                           G                   G7
O'er the sparkling sands of her diamond deserts,
C                          G
While all around me a voice was sou-ou-ounding, saying:
D7                           G ///
This land was made for you and me.  (REPEAT CHORUS)

G                          C                       G
The sun was shining, and I was strolling
D7                           G                   G7
The wheat fields waving, and the dust clouds rolling
C                          G
As the fog was lifting, a voice was call-all-ing, saying:
D7                           G ///
This land was made for you and me.  (REPEAT CHORUS)

(INSTRUMENTAL 1 VERSE, REPEAT CHORUS, REPEAT LAST LINE TO END)
