

Wreck of the Titanic (Husbands & Wives)

C Oh, they built the ship Titanic, just to sail the ocean blue.
C And they thought they had a ship that the water could not go through.
C But the Lord's Almighty hand said that ship would never land,
C It was sad when that great ship went down.

C Well, the ship set sail from England, and not very far from shore.
C When the rich folks refused to associate with the poor.
C So they sent them down below where they'd be the first to go.
C It was sad when that great ship went down.

Chorus:

F Oh, it was sad... It was sad.
D7 It was sad when the great ship went down (to the bottom of the...)
C Husbands and wives, little children lost their lives
C It was sad when the great ship went down.

C Oh, the boat was 'bout to sink, and the sides about to burst,
C When the captain shouted out, "All women and children first!"
C Oh, the captain tried to wire, But the wires were on fire,
C It was sad when the great ship went down.

C Oh, they swung the lifeboats out o'er the deep and ragin' sea,
C When the ship's band struck up with "Nearer My God to Thee."
C Little children wept and cried, as the waves swept o'er the side,
C It was sad when the great ship went down.

F Oh, it was sad... It was sad.
D7 It was sad when the great ship went down (to the bottom of the...)
C Husbands and wives, little children lost their lives
C It was sad when the great ship went down.

(Repeat chorus)
